

day one  
Nov

- to meet i real estate agent + pick up keys to new house, while Michael (new husband) does paperwork at university
- i { wedding ring, trenchcoat, clothes, umbrella }

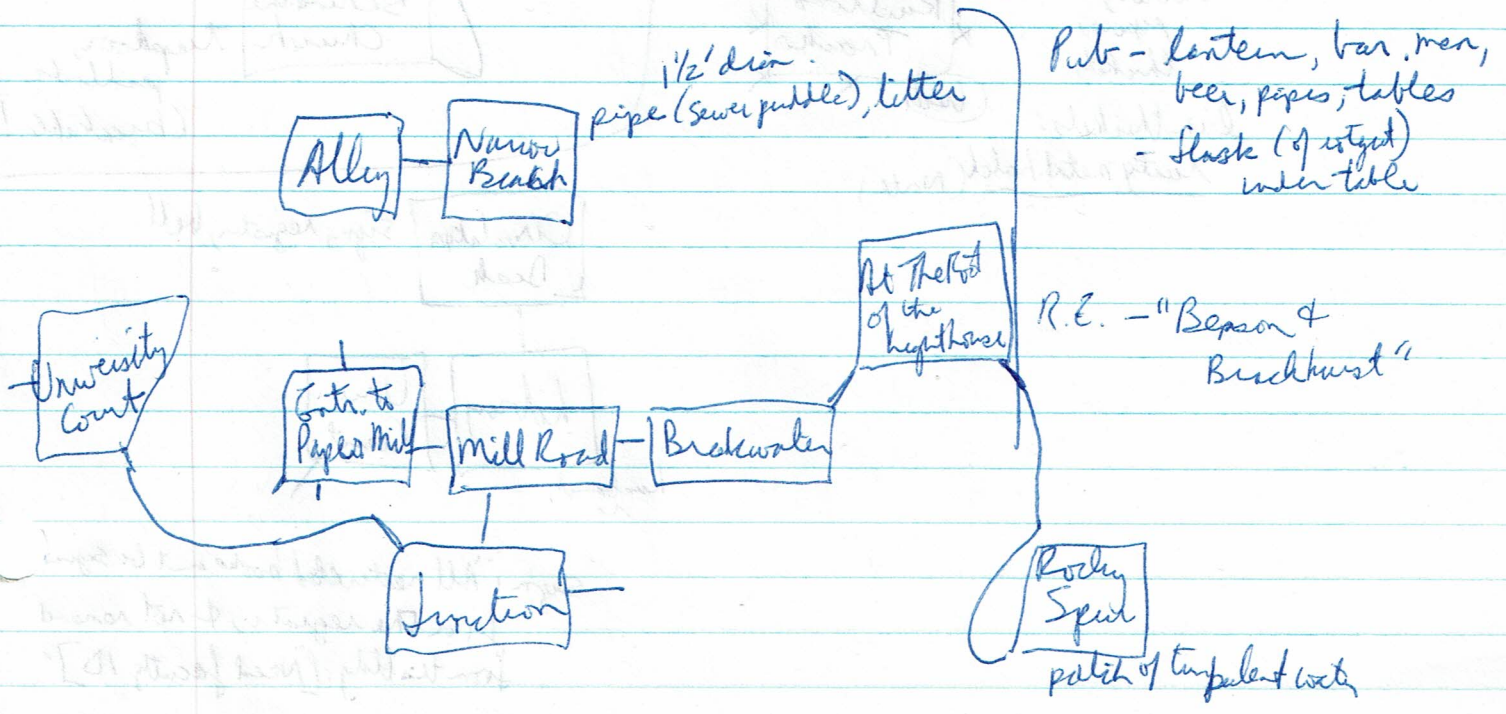

look up X (in the filing cabinets)

- X ≠ Michael, me (need family's original, ancestral name)

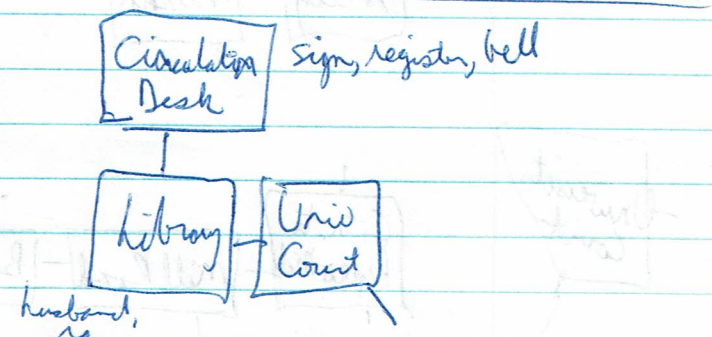

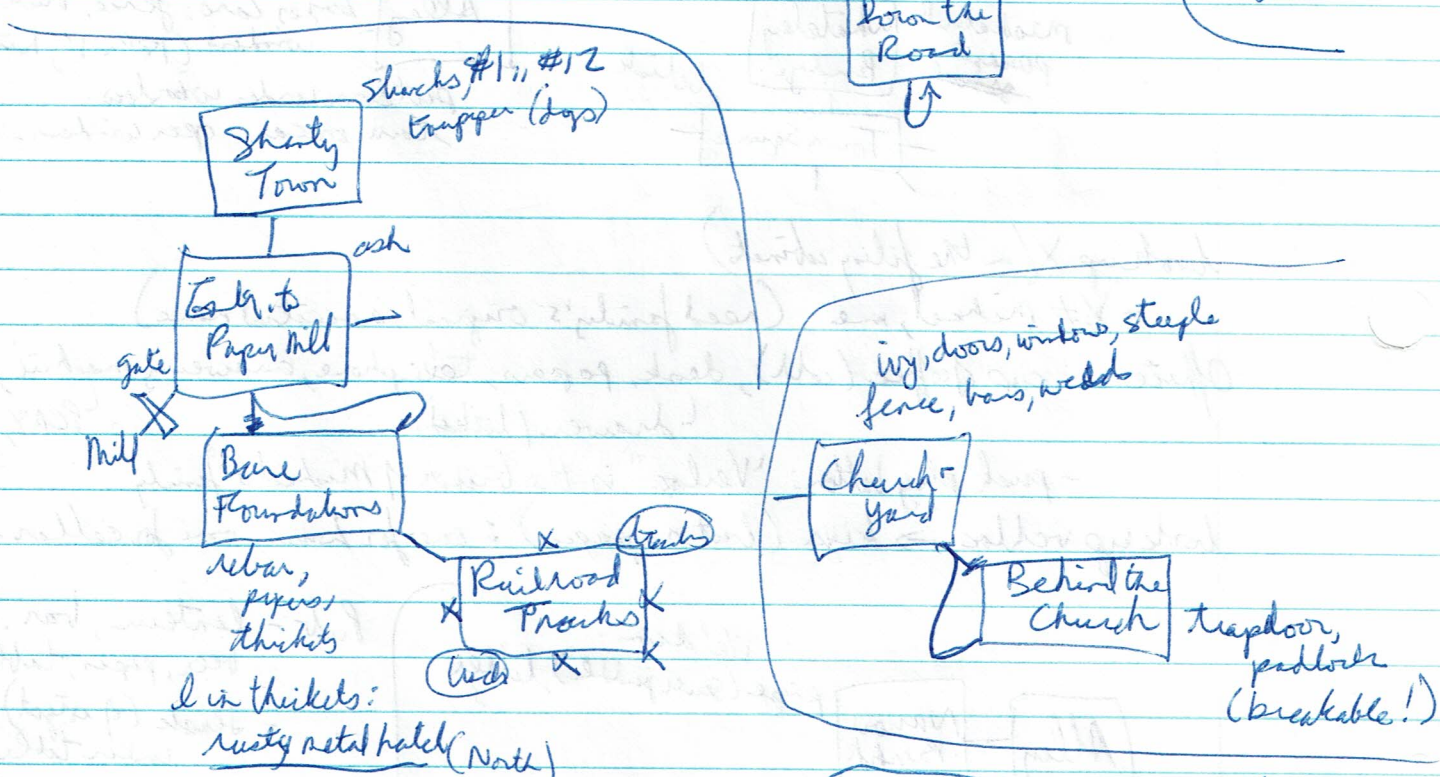

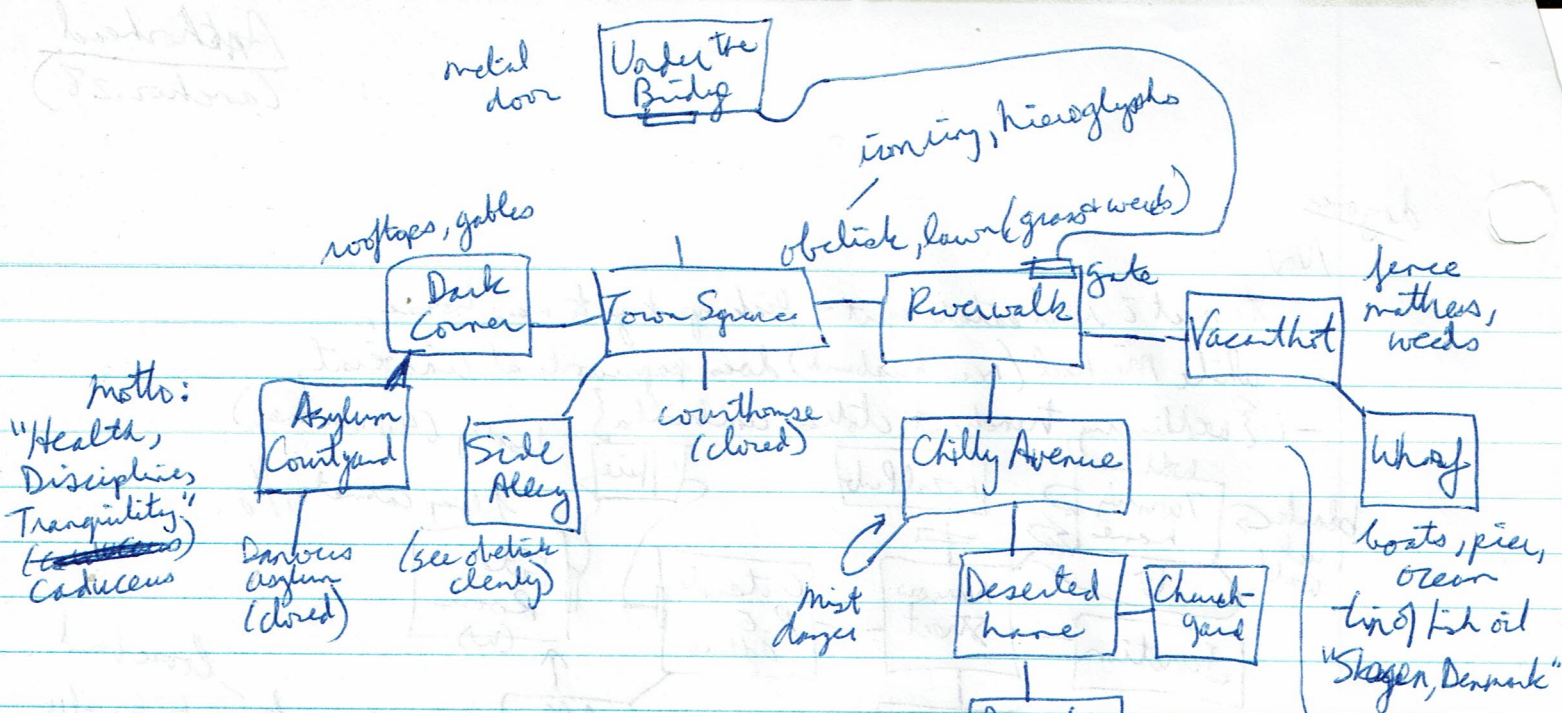

Office - cup of coffee (cold), desk, papers, telephone, answering machine, blinds  
(drawer (locked)) (PCAY, Dec 1976)

- push play button: "Verloc" is the branch of Michael's family

look up verloc → keys (but no papers) : one for house, one for cellar. (2 pts)

Sign: "All restricted books must be signed for in the register, & not removed from this bldg. [Need faculty ID]"

look up Michael (in register)

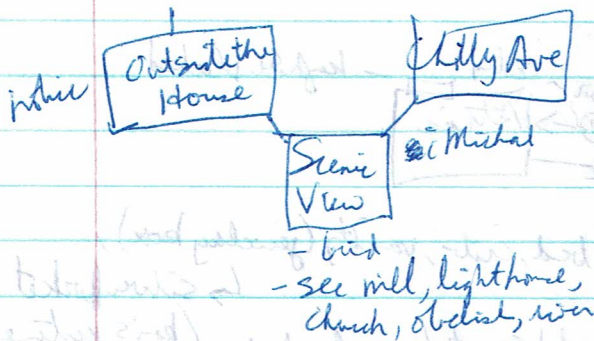

- A Historical Overview of Superstitions in the Miskatun Valley Region -  
by J. Answorth Frazer, pub. 1906.

Show keys to Michael (2 pts) - car broke down, you'll have to walk

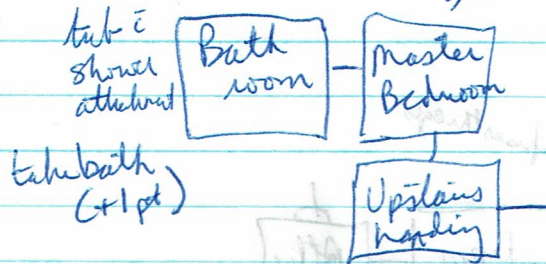

- Edward Verloc killed himself (3rd cousin, ice removed)  
& family (he died in Danvers)

- professorship, will have tenure in a few years

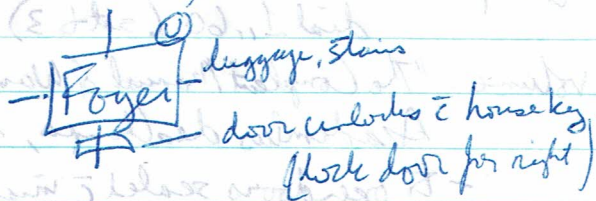

- tell Michael abt real estate office -> he frowns & wonders where she could be

notice: letter from util. co.  
(no electricity or phone)

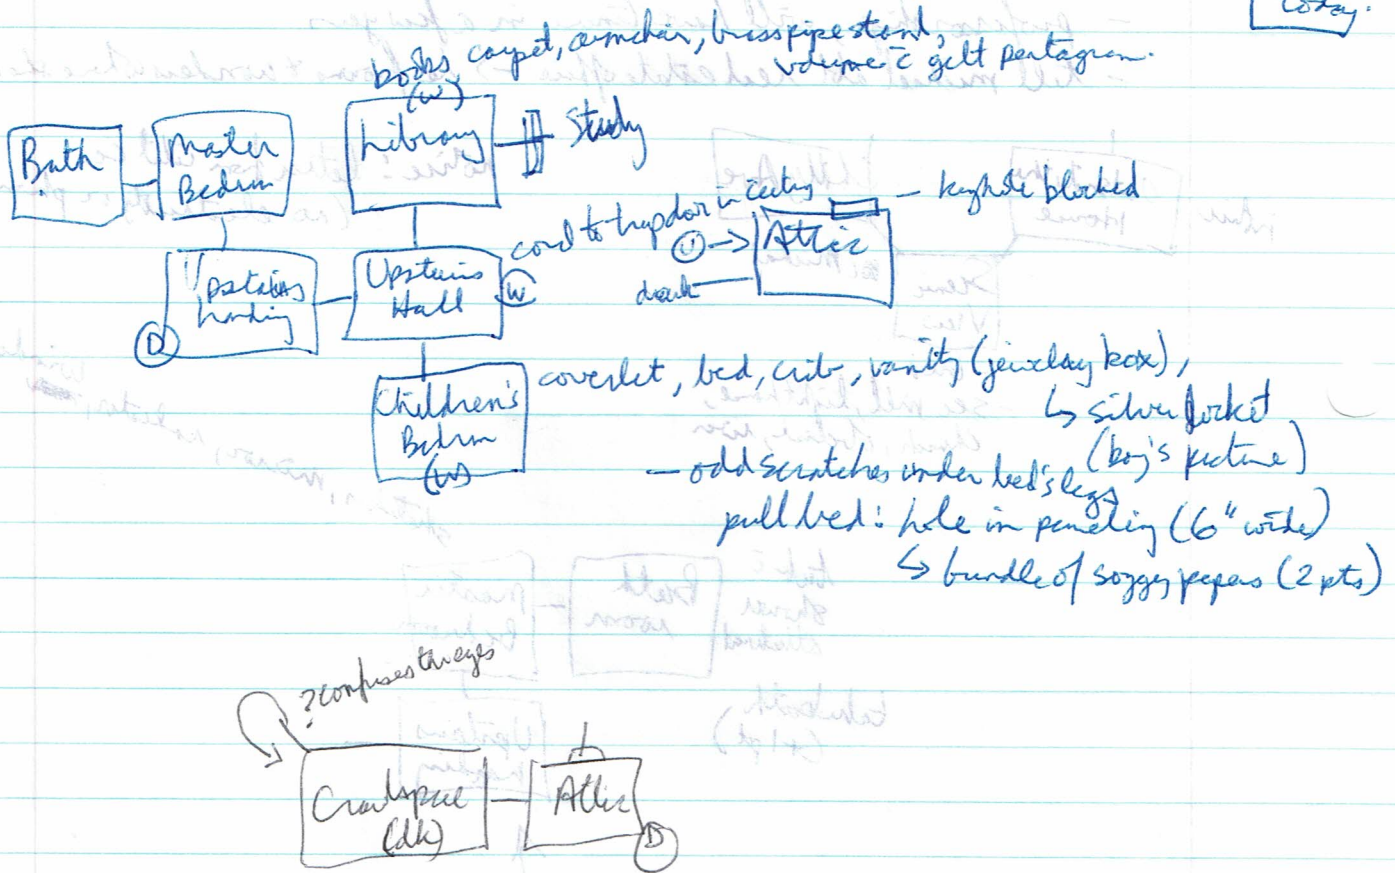

sketches, mirror, reflector, window, bed

- day 2 - dream of Michael + golden sphere ("what it opens")
- raring from red eyes; hole in boards (can see M in study)
  - dead end of twisty lane: "He always returns to his blood."
  - hear a fly

- (woken) - hear water in bathroom, see steam
- Michael's pants (back pocket: wallet: faculty card)
  - take card; Michael asks for a newspaper; he'll work at home writing today.

- x books - Poe's "Tales of Mystery + Imagination" shelves between volumes 4 + H of Encyclopedia Americana.
- take Poe: reveals Safe (1 pt) dial 1, 60 (sets 3)
- volume: "The Complete Manual of Wards + Seals", by Galatian Academicus desChamps, c. 1300s.
- to open doors sealed + image of a pagan god, speak the god's true name.

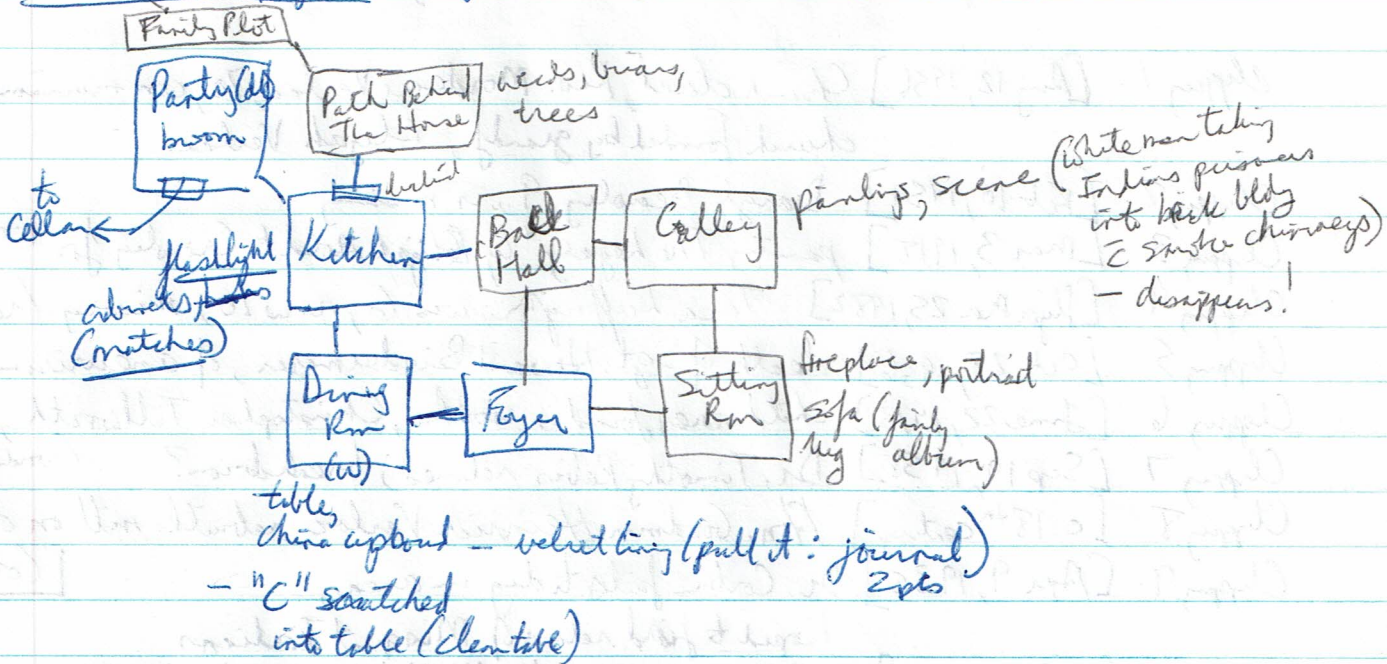

500 pages, c. 1953 (female, before Edward's birth)

- Father says to do duty to get into heaven.
- [1957] poor little William; father thinks he's son of devil; he's locked in attic; sing thru keyhole, food under door; baby beautiful; plan to doctor; lockets (one in her face)
- [Feb 27, 1961] "dead, but not dead yet" will not allow her to do to Edward what he wanted to do to William, "have learned" given him the charm against the "never take it off, dear Edward..." [page torn], "fear to sleep" mist at the window --

nameplates  
niches, coffins

In the Crypt

Journal: went back to trusty love without amulet.

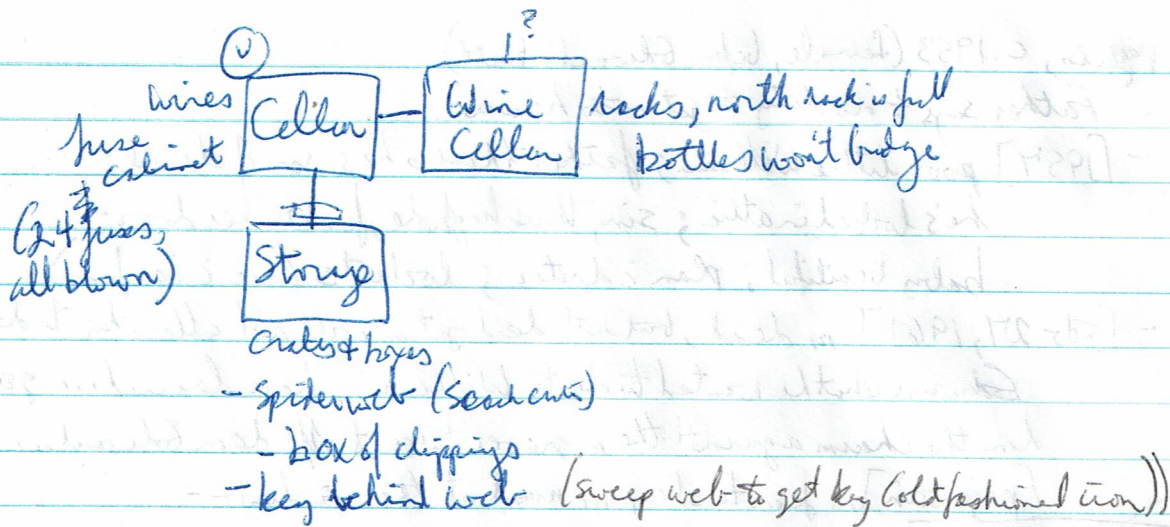

- something in cellar? safe 33-44-18
- secret cellar entrance is in their names, that pestilential poisoning of traces
- Julia?

album: "Verloc", published 1944

Family Plot: tombstones, crypt, door, ivy, trees  
(swans)

unlocks - old fashioned iron key

Clipping 1: [Aug 12, 1956] Church closed, Rev. Mordecai Verloc, 70, communion change. church founded by grandf, Glijah Verloc.

Clipping 2: [Feb 10, 1959] Daryl Beasley, 9, is missing

Clipping 3 [Mar 3, 1918] painting "The legacy" by Glijah sold to Crowley for 1000\$

Clipping 4 [flyer Mar 25, 1982] Tara Luffington, was 6, now 10, missing (red hair)

William - b: June 22, 1934, d: Sept 18, 1958

(cheap pine ~~box~~ open William's coffin - bones of animal (Wm is missing)  
- ~~skull~~ animal skull

diary: uses 1957, 1961 dates

safe: 33-44-18 [or 2 when safe open]

safe { purple box, strange metal flute }  
↳ 6 surfaces ↳ 7 holes

old man on mattress (has a key)

→ give flask to man [12 pts]

ask man about war → he was a doctor (before Edward & his ... brother?)

ask " Edward - he delivered E of ... ? (E had maggots in brain?)

" key (small copper) - mine!!

" Julia = nil

" Ancherent = not a town, a hive of BURROWING INSECTS!  
A SWARM OF MAGGOTS, THEY ARE! (hidy-hole)

" hidy-hole: underground (he locked door behind him w/ key)  
where they don't know where to look

" William: Edward has a brother, William. He delivered him.

Anna was his mother. ~~Ed~~ Wm's father's seed was poison.

An abortion in the shape of infant w/ hooves & crown of writhing ...?

Had his father's red-rimmed eyes & Anna & he put it to rest in crypt.

ask her re: anna - She was only 17 when her father "took her"  
(did)

re: mordchai - no there! not anywhere! never speak it!

re: maggots - town is full of them & they get everywhere & into your head.

re: skull - you can't prove it!

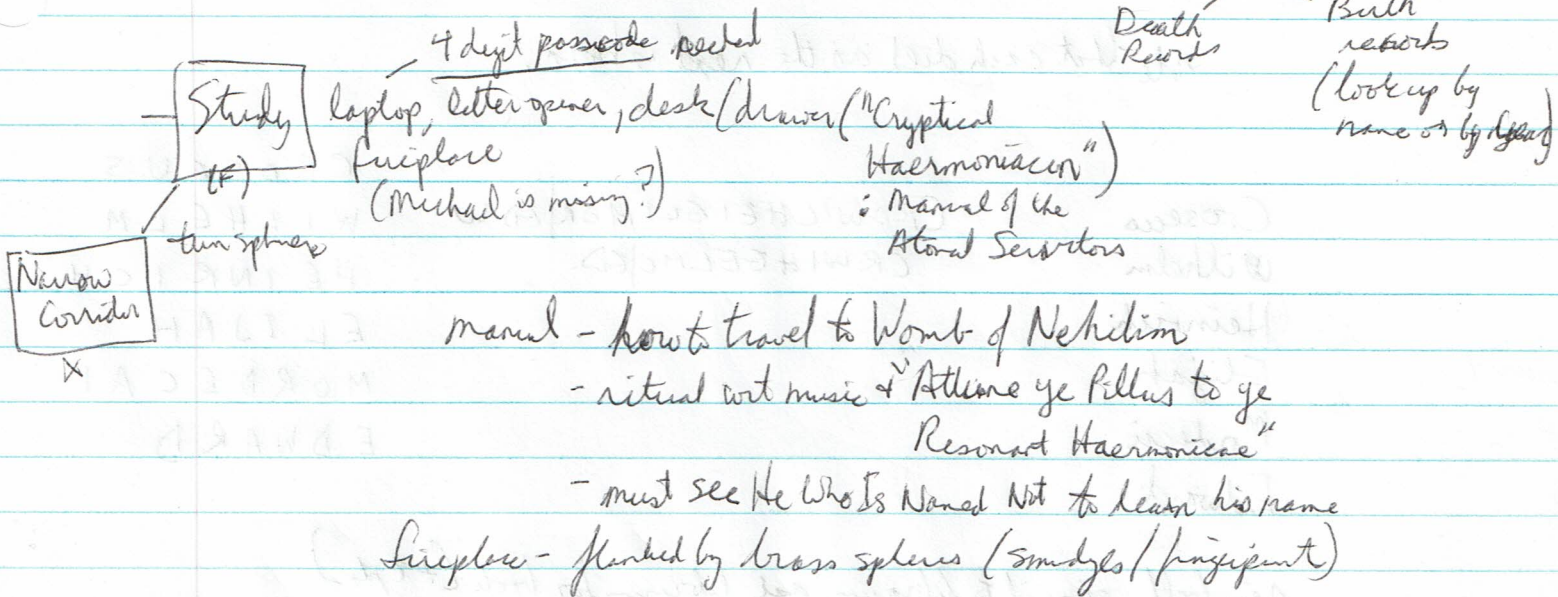

re: crypt: Wm was buried there at his mother's request. What are you getting at?

re: verlee: queen maggots

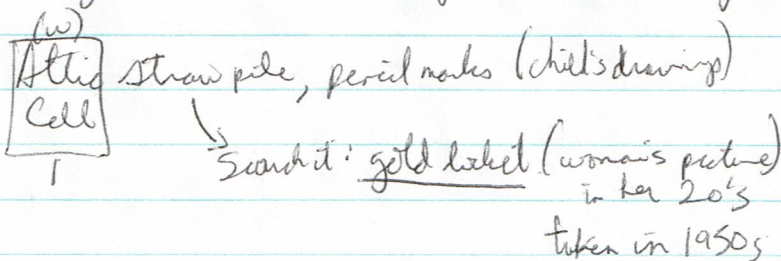

newspaper @ Town Square

- Jeffrey Green, 8yr old, hidropped from #11 Mill Town Rd last night.
- latest in series, every 6 months.
- Edward murdered wife & 2 daughters (one was 15 mos. old in January).
- E committed suicide ~~back~~

Courthouse (down to Records) → Courthouse Basement

key in attic (1 pt): old fashioned brass key

Courthouse Wilhelm	b. Mar 11, 1651	d. Oct 18, 1734	Jeffrey Green: b. Aug 4, 1984

Max Green: b. Mar 19, 1963 d. Sep 2, 1992

note that each died as the next is born!

Croesus	CROWEILHBIGLIMOR EDW	CROSEUS
Wilhelm	CRWILHELM ED	WILHELM
Heinrich		HEINRICH
Elijah		ELIJAH
Mordecai		MORDECAI
Edward		EDWARD

ring bell, show it to librarian, ask librarian for books (+2 pts)  
 read sig (born-died same date? have to check records) - Michael's

## Historical Overview (Intro, Croesus, Indians, Dark Man, Mist, Train)

Intro - inhuman races in hills

pagan rituals at unholy burial grounds

Croesus - had 6 daughters, no sons (his coven?)

- had grandsons by his daughters

- Croesus died on day first healthy male child born to his youngest daughter, Eustacia.

- Eustacia + Wilhelm returned to A after smallpox wiped out most of A's population, incl. everyone who burned Verloc's daughters.

Misquak Indians - few artifacts: pair of ritual masks & 7-holed wind instrument.

- chants bonfires in winter, sex for bestial gods, human sacrifice

- known as child stealers (unwifed)

- star worshippers; entities grant wisdom or insanity based on how well ritual performed. Summon them via obelisks

- developed hieroglyphic system of writing

Dark Man - lives in primordial woods. Real name Lucifer or Satan

- when covered in hair like Pan, called The Wicker (Wicca) Man; The Black Goat With A Thousand Young.

- also "The Harbinger At The Threshold" or "The Watcher Beyond The Stars" (Saturn? Omoburoo Dragon, Devourer of Worlds?)

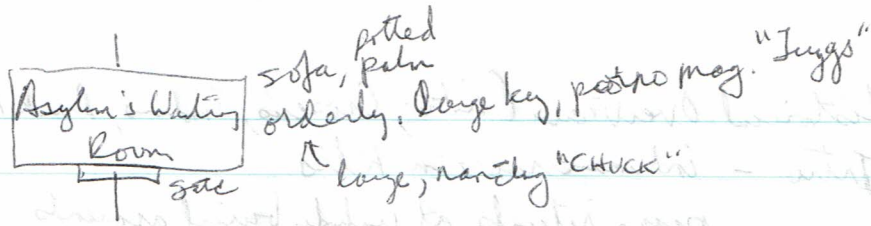

Strangling Mist - spirit of dead or ~~hell~~ hobgoblin? poss Indian origin?

Ghost Train - c. 1882, transport to land of Dead (aka Charon)

- must have a ticket to give to the conductor

- dangerous for the living to be near, or use.

ask Chuck about Edward -

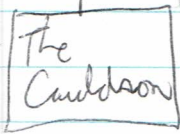

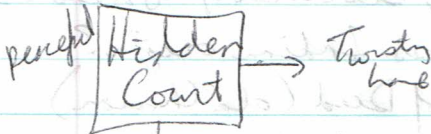

bashed his head in on observation window - still unclear.

show picture (in bucket) to bum - yes, it's William  
bum is Dr. Timothy Rebus

show skull to bum → long story

- it was Anna's father who wanted to kill William, not Anna
- had to weigh coffin & something
- copper key won't help him anymore
- and yet, if he could get a ward...

graffiti in Trestyham (captioned had a  $\nabla$  in palm, arrow pts west)

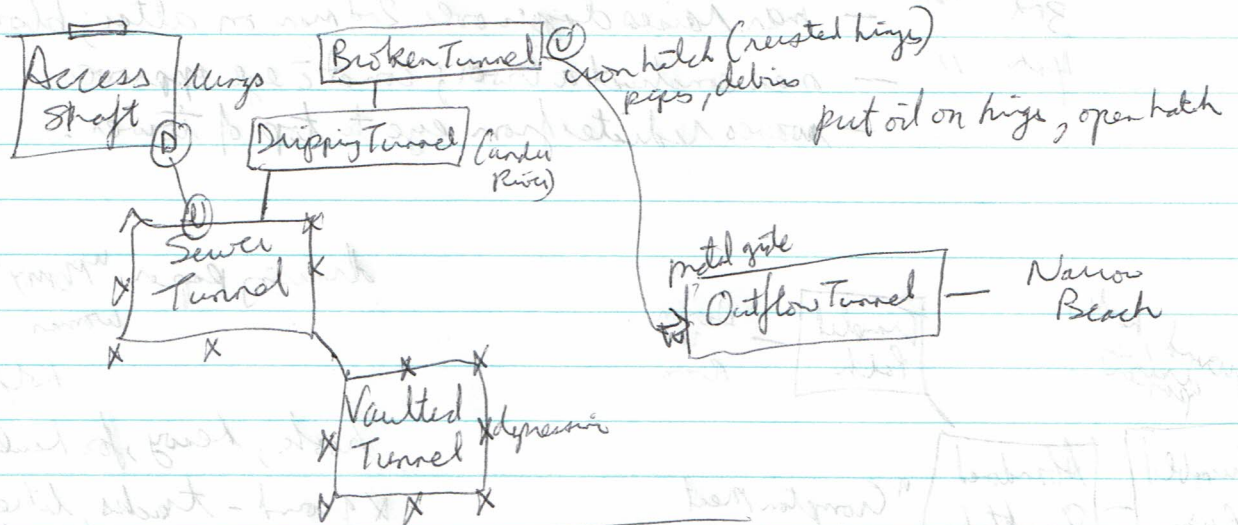

- display case (hand disk, geode, amulet)
- paperweights
- violin (gift from old friend who one upped)
- shelves
- proprietor

matches graffiti

- ask abt amulet → he gives it to you (5 pts)
- shine light through cards onto a wall to open a gateway to another world
- show purple box to man (+2 pt) → strong black date (less?)

Show amulet to ~~room~~ (+ 5 pts) → day 2 evening, gives you copper key  
 - "he" can smell the blood & track you.

- dreams:
- running where whippoorwill is
  - trip over stump & enter clearing
  - ancient well, something's inside
  - Michael is in the basement & doing something bad.

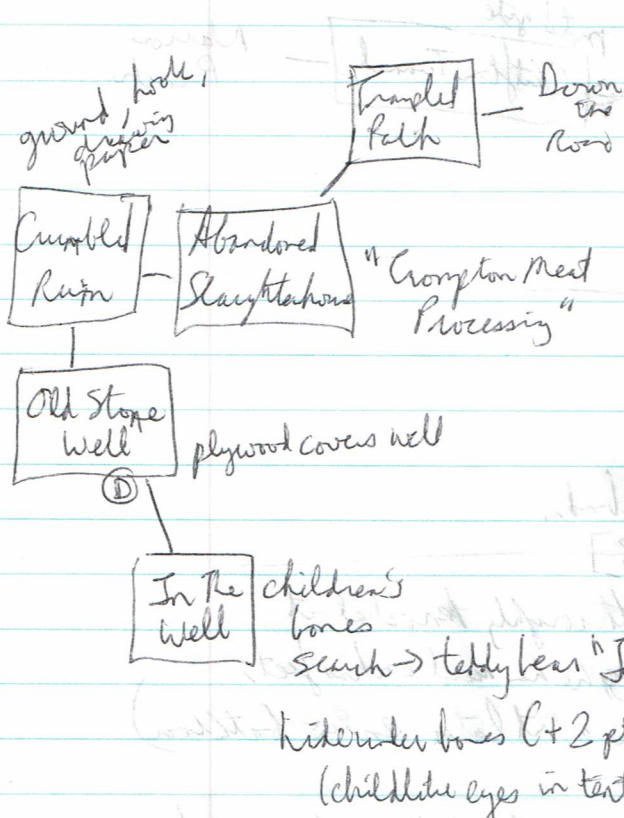

wake & Michael in bed beside you [day 3]

- Michael has dried mud on his feet, thoroughly knocked out
- Michael seems frightened, doesn't know why he has mud on his feet, wanders off "needing privacy" (returns a bit later, enters bathroom)
- think abt spying on Michael
- l in hole at child's room: M seems to expect something on the vanity
- l in hole at sitting room: M preens at portrait, as if looking in mirror
- l in hole at darkness: M enters wine cellar (seen from low in corner)  
 He does something & bottles, opening passage to North.  
 M has crazed red-rimmed eyes.
- Observatory (madrating, green energy)  
 you see comet & it's alive! "IALDABAOLOTH" is its name (+ 5 pts)  
 - a god come to devour the world!?! (turn)
- scene: looking up beneath pulpit at clergyman, livid, & large black book, trying to tear gaze from page-

Bucial Mound

- 1st pictogram - men dancing around captured bowl, this mound?
- 2nd " - comet rains fire & death on people of the mound
- 3rd " - man raises dagger over 2nd man on altar; blood radiating?
- 4th " - men construct a tower; comet in eye approves.  
- waves radiate from eye to top of tower.

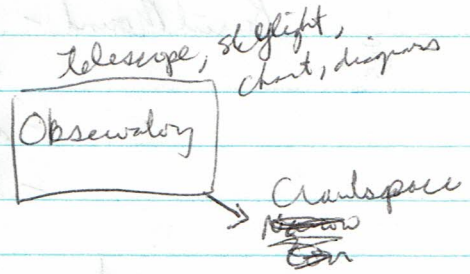

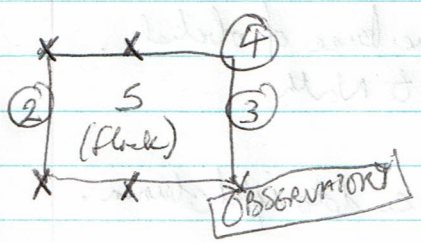

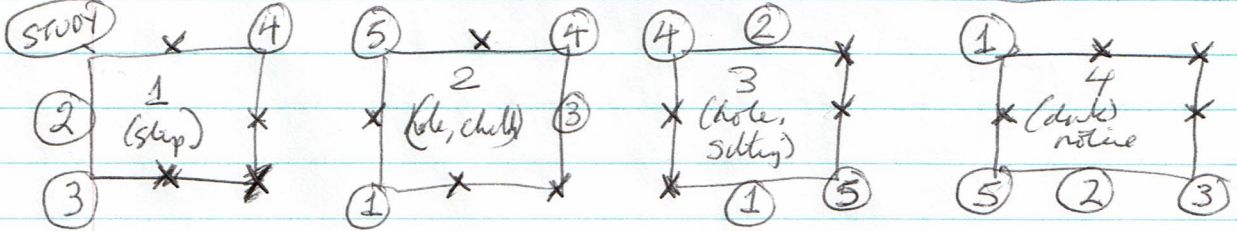

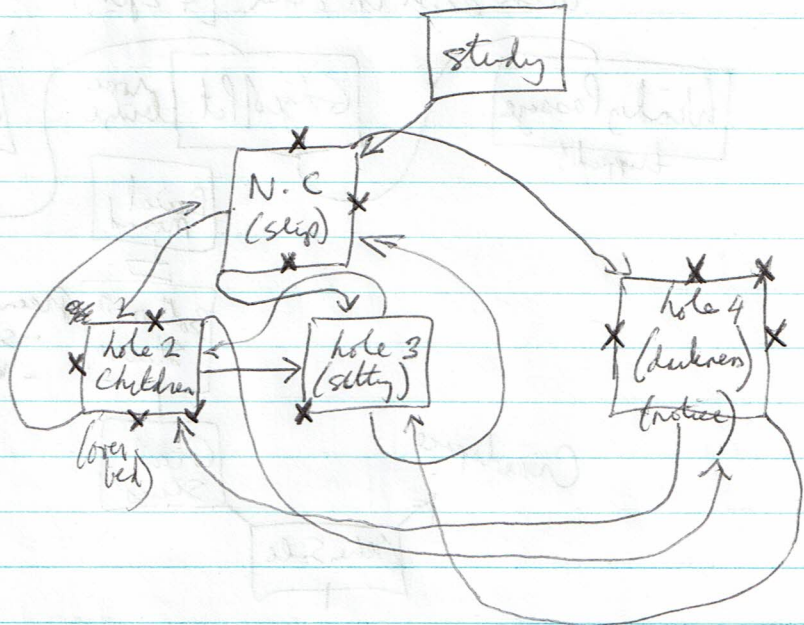

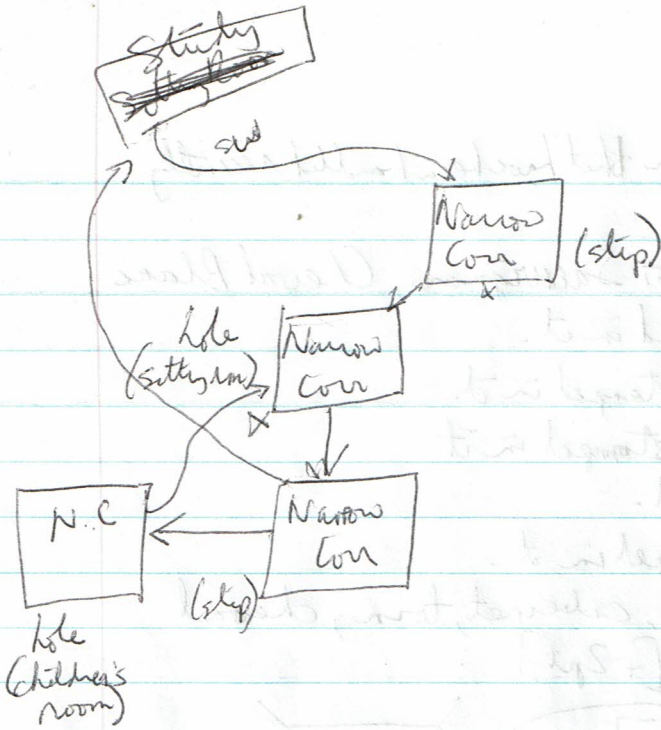

drawing paper "MOMY" & "WILIAM (ME)"  
 women octopus or hygon legs holding hands  
 hook, heavy, for hauling carcasses  
 X ground - tracks, like lame elephant?  
 (tracks often)

At Deserted ~~house~~, blocked by transpeople  
 → ~~gate~~ east into Churchyard to evade them  
 → break padlock in meat hook (+1 pt)

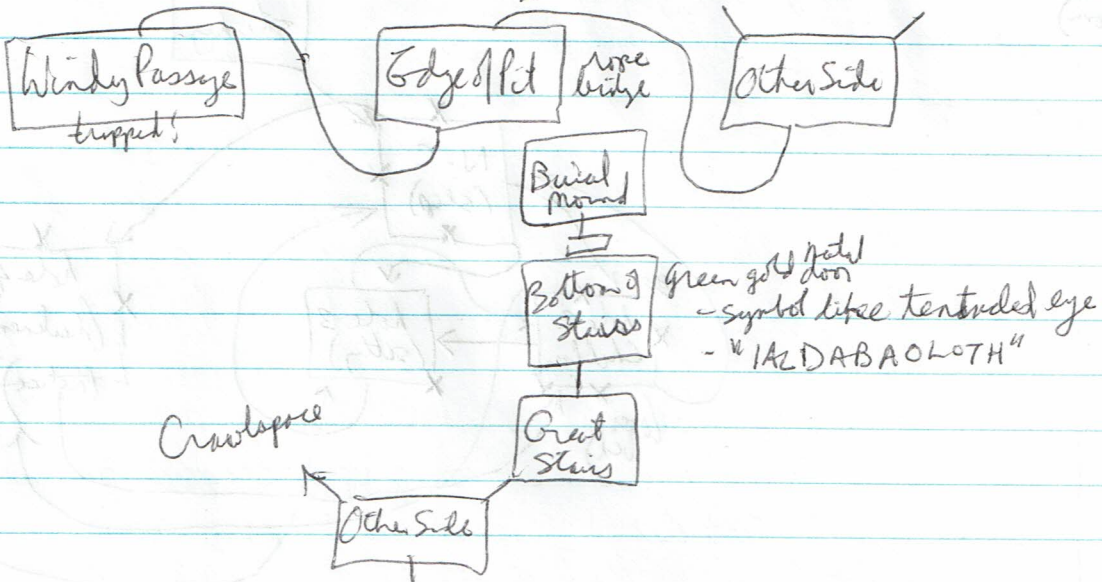

telescope has thin rectangular slot  
 abt 6" from upper end  
 charts - comet due to arrive tomorrow  
 (charted over centuries)

Wine Cella (after spying at MM)

- Five bottles in 3rd row from bottom that have been handled recently  
one label torn, another faded,  
also a Pinot Noir, Cabernet Sauvignon, Cheval Blanc
- pinot is 1651 with "W" stamped in it.
- cabernet is 1734 with "H" stamped in it.
- cheval is 1886 with "M" stamped in it
- torn ~~is~~ has "E" stamped in it.
- faded (merlot?) has "C" stamped in it.

CWHEM → faded, pinot, cabernet, torn, cheval  
turn each in order [+2pt]

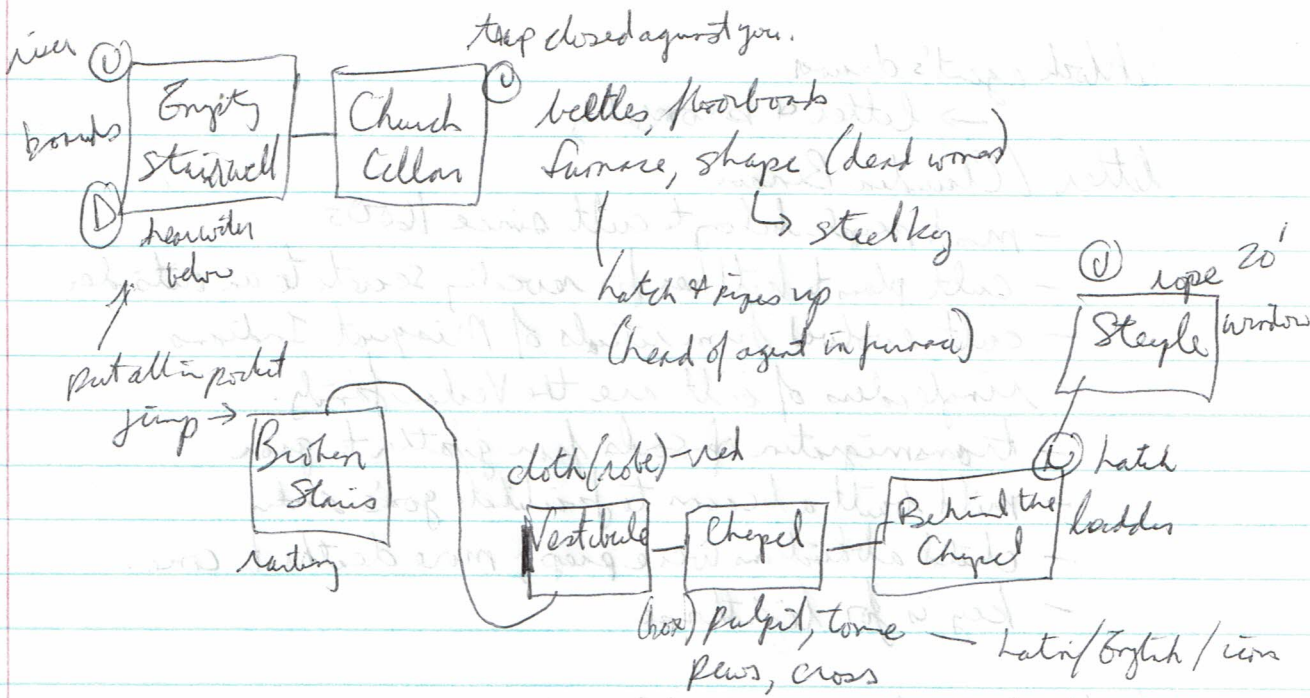

Crawlspace "I.W.V." - 195"

Burial Mound - corpses, <sup>4</sup>cowings, true base of obelisk, stone altar & 2 columns to North

- altar is jet block
- left column vibrates; so does right column.

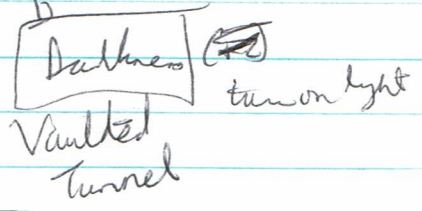

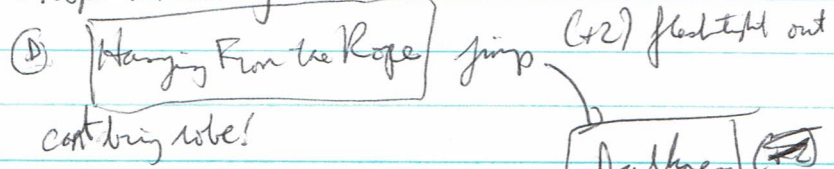

- right column resonates when 2nd hole covered, or 7th hole cover 2nd & 7th holes. play flute

tome: "Blessed Event"; hideous god (if you read on, you'll go mad)

tie rope to railing

give bear to woman at #41 Mill Town Road  
(+2pt) stove, cot, overalls

- it came thru window
  - x window, sucker marks
  - max died 5 yrs ago in mill, no remains to speak of.
  - mill keeps them like animals; she only gets compensation
  - l in overalls, long steel key.
- Ask woman for key (1pt)

Unlock agent's drawer

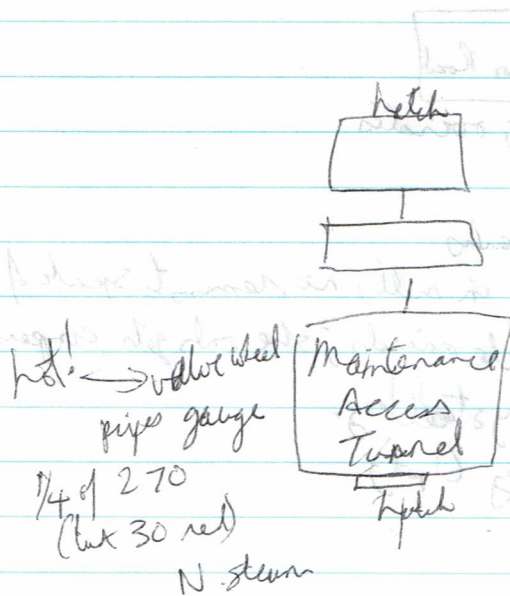

→ letter & bronze key

letter / Claudia Benson

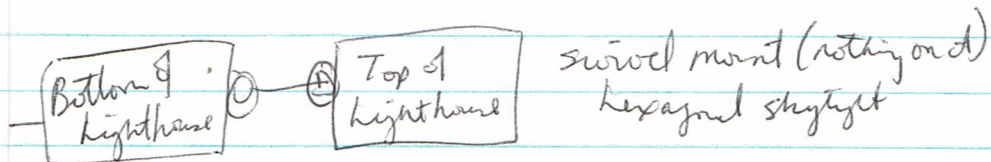

- most people belong to cult since 1600s
- cult plans to kill her for revealing secrets to an outsider
- cult evolved from rituals of Misquak Indians
- ring leaders of cult are the Verloc family.
- transmigration of souls from grandfather to grandson
- mill built a beacon to facilitate god's end
- child abductions were prep for more deaths to come.
- key is for lighthouse

health thru #11's window stretches W + NW

long steel key opens hatch @ Base Foundations

look up claudis in register

- A Historical Overview ...
- The Righteous Invasion: a History of Indian/Settler Conflicts in the Colonial Period by Warner Greene
- Mechanics of Metempsychosis by Horne
- N-Fold Transduction & the Space-Time Barrier by Lord Wheldrake

Greene book, pub. 1943

- battle of Quattle Bend 1772, night, led by Heinrich + 28 men who ambushed & slaughtered the tribe of Misquits

Horne book, pub. 1922

- metempsychosis (transmigration of souls)
- sharing body (inherence) or essence (identity)

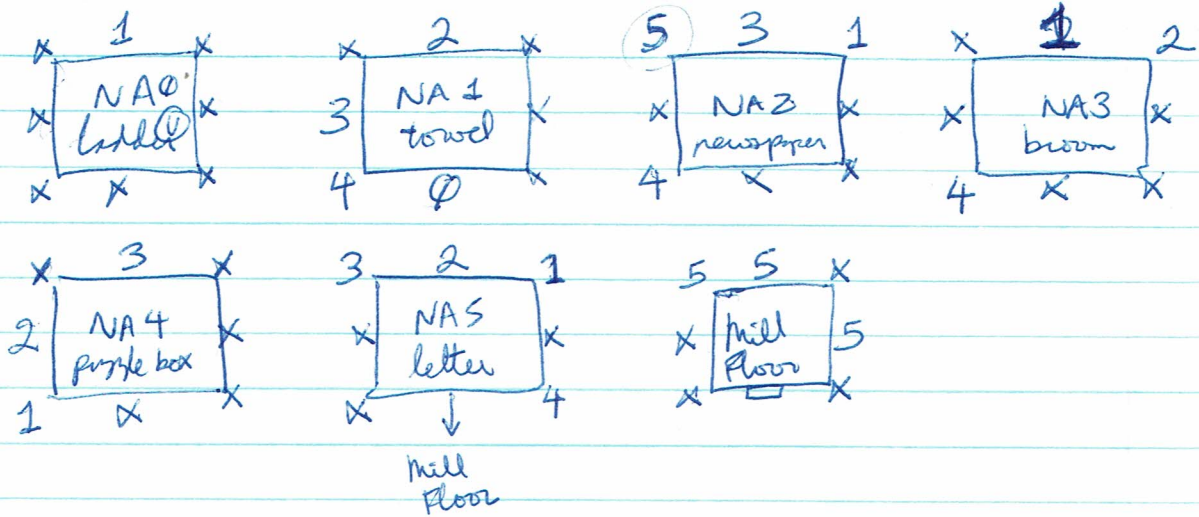

Wheldrake, treat pub. 1918 by Miskaton University Press

- N-rays that travel thru N-space exist at every point along electromagnetic spectrum, traveling perpendicular to it.

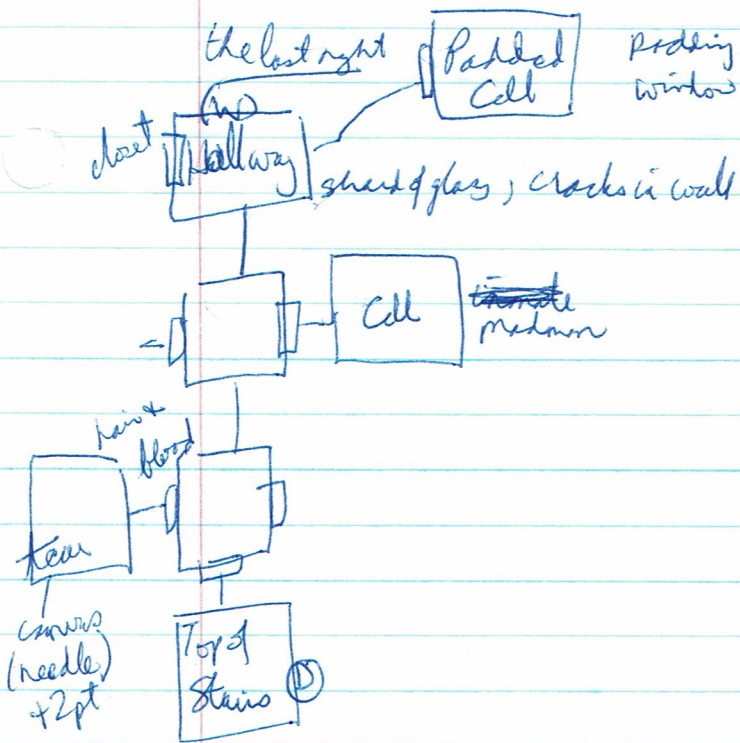

## Speculations

- need crowbar or chisel to open Edward's coffin
- can't get into cells of Asylum unless you have a relative there (eg: Michael)
- are lockets useful in any way?
- what is Michael's password on the computer?
- need gloves to get further into mill
- missing a component for the lighthouse
- could there be additional names to lookup at register, agent's files, nameplates,
- anything further i scratch "C", the paintings? Lalbrum, Courthouse, ...?  
the fusebox?

letter, broom, newspaper, puzzle box, album, towel

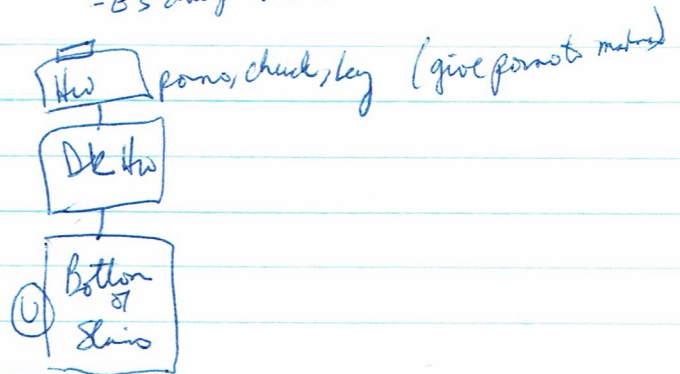

~~on leaving Mill~~ on leaving Mill, at Mill Rd → see M @ Lighthouse?

i {strait jacket, clothes, wedding ring}

put shard in crutch, cut jacket with shard [+2pt]  
 closet → coat, lantern, broom, purple box  
 canvases - Edward's testament (written in his blood)  
 - Croesus must abide the amulet  
 - E's daughters: Gertrude & Sonia

- 1st scene: Revolutionaries taking Indians prisoner, handed into mill (?) or slaughterhouse (?)
- 2nd scene: minister @ pulpit
- 3rd scene: ~~another~~ 'scene' in paintings: redman in bonnet, dances between metal pillars & playing a flute; behind him violet clouds seethe.
- 4th 'scene': midwives attend woman giving birth; bucket of murky red water; old man in another bed who is reaching out for approval.
- 5th 'scene': 5 women bound to death in 17th C; a clergyman in charge.
- 6th 'scene': sailing ship on dark waters at night, a lighthouse lights the way.
- 7th 'scene': naked emaciated men, chained, offering something to enormous furnace
- 8th 'scene': sewage & deformed natives ~~depose~~ by obelisk, baleful eye in sky above.
- 9th 'scene': butcher & apprentice boy in slaughterhouse, lots of gore & blood, boy appears misshapen, deformed, face is off-center
- 10th 'scene': girl at keyhole, puts something under door, a mottled appendage meets it.

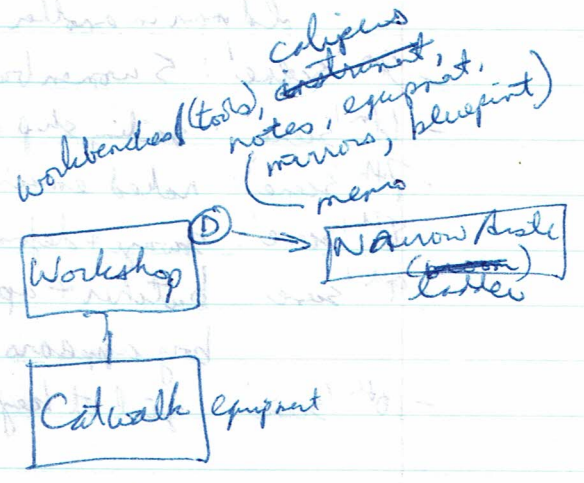

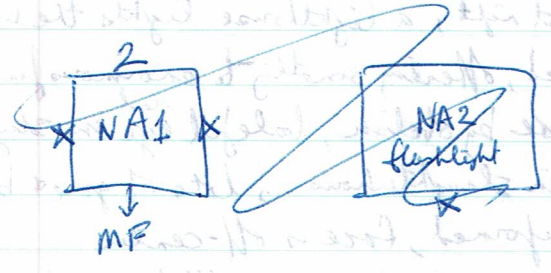

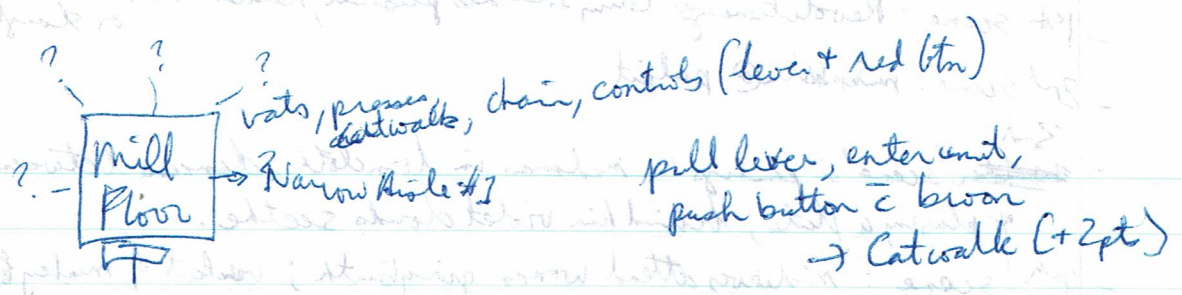

- remove wedding ring to read inscription - Michael's & your initials & wedding date -- June 28th.

"SID.D" Ans 0628 is the password on the computer [+2 pts]

M must not sleep, dreams have been haunting him, telling him secrets of the house. Tomorrow he must go down to the cellar, and see if the things revealed to me in that terrible book are true.

"Crompton Meat Processing"

- wear robe, stand on altar, cover 2nd & 7th holes on flute, play flute  
→ The Words of Nehilim (fate worse than death!)
- take towel
- ledges out pit (W+E)
- examine luggage → bag (hair)
- put towel on wheel, turn it. [+4 pt]

blueprint - part telescope, microscope, & laser.

- array of lenses, mirrors, curvatures

- main mirror "0.0113", ~~scatched~~ scatched out, then "0.0126"

mirrors (#1, #4)

#1	slightly concave	0.0158
#2	"	0.0177
#3	"	0.0131
#4	"	0.0126

memo: mirrors must be kept abs. clean AT ALL TIMES.

- must receive ionization treatment, must wear sterilized surgical gloves.
