

ADOCOT

(Miles to his tests; plug in cable) me = Mr. Luvya?

[In the living room] (in alcove) kit w, gary's N, TV, couch, tbl, <sup>small</sup> <sup>diag</sup> <sup>tbl</sup>,  
appte statue, wallet.

THE ATOMIC HEART  
(atomic heart. 2S)  
by Stefan Blixt

X re (robot! HELP, model U heart in front held, speech upgrade wing)

drop cable. exit. N. (Gary's km) door, trainer, Gary.

X interface (CONNECT CABLE TO MY INTERFACE SOCKET OR DISCONNECT CABLE)

take wallet. take photo. X photo ("Eline") / battery low. put

to access op sys.  
EXAMINE OS

[Briefing room (take off VR spectacle)] desk, viewer, note at Base 48

X note ('Acting head of stage' right before rests at air show, signature)

X viewer (wear spectacle & touch plate) [stand-ends gone]  
turn on viewer (need coffee or smelly to contain)

W. take trainer (my go. Peeth will be there of down. Eline will sign)

W. N. put <sup>left</sup> trainer on Gary (balloon) W. N. show pamphlet.

X patch (open hatch, take handset, put new one in, contact GSTS support  
T-phone 202083792

examine OS (security, information storage, communication, motor. ~~modules~~,  
modules: battery, limbs, integrity, communications, security, database

run battery program. (1 hr later - banging in wall panel)

X panels (panel by TV) take panel. X furry (sweeper divid!)

X divid (brushes & tentacles; bumps to TV & snuggled)

X security (slight anomalies) divid snip or rely in y; paralyzed & blind  
↳ shutdown on standby (Dress)

Z\* l. (some easily removed, packaged.) X integrity (slight damage on foot; no feel)

X security (major alarm. <sup>shut down of this: remove battery & contact GSTS</sup>  
X database (CONTACT DATABASE NOT - ) me, Gary, GSTS, cable (for manual control or

machine/machine) X TV (links up to house's computer) pull TV X 2. X interface cable

unlock door (controlled by house security system) street monitor, news, SOS

X control system (modules on/off: TV, house security, climate, street monitor, news, SOS)

X house security (front door & alarm) turn off alarm. open door w. [Antid. Go's]

fun host look on (?)
