The Blind Horse  
 7/6 Chx

(two women in conversation) Morrison fumbles to the back on the front door (bunking mattress key)  
 - her place? 2 (out of mind) (she offers to show you room, extra blankets in cupboard)

[Helena's Bedroom] (on the back) > (empty, ex-tainted)

l { bed, mirror (at foot), door, E, cupboard, window in N wall }  
 x bed (parallel bedhead, dewet, behind) stand. x window (see face, rose vine, blinds)  
 x cupboards (draw + drawer at base) x drawers open drawers (padding) dust  
 put blanket on bed. lie on bed (needs to be safer - door not locked (no key), too much light)  
 close blinds. put blanket on mirror (latch-key?)

// talk to morison. 1) key? (my arm injured) 3. Thud.  
 // dream of burys know down again (rain)  
 listen (my arms are bloody) // take plasters

clean forearms. (red under fingernails). put plasters on forearms. (use 20 plasters; 10 per arm)  
 E { struggle & memory of struggle & woman at knife; did y kill her? }

listen at east door { whispering } // look in drawer - new painting naked woman in ocean, red seaweed & hayfeather;  
 faint of sunlight from mirror? x blanket (blood?) (can't look at mirror?)  
 // play all the roses (old Morrison - purity of art, charges of over-expectant; guard the original miracle)

// t tuesday (calendar and fat) search calendar. take key (morrison)  
 (checked room: [Study]) wall clock, computer, bookcase, desk.

x books (ant theory, fasten, romance, non-fiction)  
 x fantasy (scrap of paper) x scrap of paper ("serenity devoid")

turn off computer. type serenity devoid. click mail.  
 read into reminder - renew prescription for Valium.  
 inquiry results - search for Helene Jevre returned 0 results.  
 request - from Estelle Clements (come to bed as well as usual Tuesday?)

Estelle (something dangerous abt that woman) - employee?  
 - browser history empty. - word processor (The woman thought for M. Ridley Clearing)

// x demon - 2nd new painting; blonde goddess with a woman & a knife; the giant contains a screaming woman.  
 // x blouse x stain ("4, 9" written on M's arm?) // x phone

1. Estelle: 01395 84 78 39
2. CAB: 01395 13 7503
3. PHE: 01395 042356

- Contact Address Bureau

E -> woman at table (surely you've read enough of my correspondence to know; my vision witholds)

- 1) why y here? - M wakes it. 1) Leave - Imblich, and y recognize yourself in the mirror?
- 1) I was watching from behind the glass - as always, were you. (on floor, she's gone.)

take flowers (@ Backyard) take dead flower → small yellow key.

unlock cabinet & yellow key { container of Valium + a tube of superglue }

↳ take one tablet per day for therapy anxiety, regularly in morning

The Blind House  
pg 2

11 x bushes 14 rows of 30 bushes. Search bushes (4th bush in north row - loose brush)

take loose brush (hole → gut & blood?)

- something unusual about the walls?

11 hair dye (yellow) (Rubrum #1602) / M now in shower.

look in bag (purses, keys, papers)

man. Kelly with the arrangements today on her mind.

The white roses are appreciated. Everything else y'all needs in my room. Estelle.

↳ well-used antique key + gold antique key.

↳ M's door.

[M's Bedroom] walls covered in framed paintings, x-ray mirrors, face antlers under N, bed, table S, cloth, lamp.

white wardrobe. x table (drawer) open drawer (dinner)

x dining. open it. (nothing clean or essential except) E works at open theater;  
paint it aged + sleep all days; Alan, why is life like this? Was he here; I miss y';  
It is tall + beautiful + well-adjusted; Alan; paint mechanically, clipped as in dreams;  
Esports, so wise; please call in night, key won't bite, mirror sounded in vision;  
been here for a wk now, white roses stained with hair dye! Paints! dinner, found most terrible thing;  
entire mirror covered in photos' copies; Scribbles at backside, knife + blood;  
(then M call me)

↳ take to her room? - M says I'm trying to stay near my own bed.

- bathroom mirror covered in bandages

- white roses mostly in dye

- porcelain ornament smashed on the floor in living room.

- Yes, it's all here + I open the door. ~~1602~~

x paintings - 3rd: picture in ctr of floor, covered w/ bloody sheets, pale woman's body (asleep? dead?)
