

[The Depths] x me (the time itself)
x pig. [repeat several times] Kill pig. up. (win!)
↳ (staying makes the pig afraid)

one-room

Down with the Underpig
by R Monty

Bunt
(espionage theme)
An Interactive Death Trap

Edgars drops yr drink after y take down optiz.

[Somewhere] blind, peepers, pain, bound wrists + ankles.

later. [x rope. (thin wire) x balls (wooden packs fitted with screws. one wall has hinges; door) cut rope with hings (not understood) [die on turnst; explosion]
kick door (not enough leverage) open door (no knob) x screws (sharp edge) cut rope with screws
remove blindfold (true bomb; only screws left) Kick door (die; you knock against the bomb)

x bomb (pack of ~~plastic~~ = bomb, timer, 3 wires (red, green, black), mercury switch)

x red wire (from battery thru timer, then component, then likely detonator)

x green wire (battery to case. Not connected to timer)

x black wire (from timer to attachment on bomb housing)

x battery (green + red wires on external side)

i { cufflinks, suit } take bomb. kick door. => [Darkness] metal wall, wavy sound

(can't pull any of these
can't cut any of them with screws
or cufflinks)

x ceiling (jagged seam) touch walls (find button near a corner)
push button (lights on: you're in a cockpit of an airborne plane; door in one wall.)

hit ceiling & hit ceiling. [Galley] counter is sink, drawer, cupboard, assle S.
open drawer (package of penicillin + old bottle opener) open cupboard (gauge, blood-pressure cuff, fire extinguisher)

S -> [Passenger Compartment - Rows 14-26] N/S; luggage bins overhead
S -> [Passenger Compartment - Rows 1-13] N/S: cockpit door closed (and locked) - {bomb explosion still kills you.}
