Cabin Fever
 by Michael "Dr Frost"
 (Quest) Millsap

in cabin in Rocky Mts, snowed in
 [Cabin] fireplace + mantle, kitchen {fudge, sink, stove, pantry}, bed, dresser, bathroom + curtain,

conch, end table, window, closet. i {chewing gum} x window (into, dirt on ledge)

x me (jeans, sweatshirt, socks) x shelf (fireplace below, deer trophy above) eyes
 open chest (cardboard box on shelf) x shelf (fireplace below, deer trophy above) eyes
 * toilet. take lid. x check

open box -> yellow papers go everywhere (most done, but some pieces are missing)
 x couch. look under couch. slide couch. (end legs of couch) look under bed (3rd pc: edge of fireplace)

x bed (frame, comforter, boots) x boots (2nd pc - more of wall + edge of window) look under bed (3rd pc: edge of fireplace)

x window (4th pc): puzzle is of someone doing the puzzle in the cabin; see something in cracks.
 use line. (hear tapping on door?) open door (try with, shut + locked) l. Reply of tapping?

x room (chunk of ice) take wood. light wood. melt ice (see brown sticks) (mouse grabs pc from kitchen + goes under fudge) + inside

take crackers - put cheese on crackers. give cheese to mouse. (only 2 pcs missing; man in picture
 isn't you, ~~but~~ fireplace fire is now glowing green) x fire (one of pieces in flames)

x end table (pitcher) take pitcher. take water. extinguish fire (steam is acid)

(1 pc left, and walls begin to weep blood (!)) drink heaven's (found the last pc)
 man in picture is angry + furious to look at y. (now y he in the picture + man is free to go. THE END.)
