

- reflection of you, bloody + pierced thru chest, in cockpit.

[Cocon] x wood. stand → [Forest Cathedral] dais, cocoons, trees, river.  
 x me. (rabbit?) x. cocoons (gray pod of legs) x trees ("Mother Tree"; Francis said it takes life + gives it back)  
 E (too dense) exists N/S. N {see one rabbit (k/w) dug a den into a cocoon; "strong zombie rabbit is waiting at"}  
 x rabbit {Francis would call them rabbits} {this is Elysia} {the "Concepts" is - giving human body?}  
 N {maybe Semiglossa crashed here?} [Marsh] flowers, bluffs W, dry area N, fox (hurry, would it deny, want deer)  
 {perceptions to W} W [Warren] more wren N, road up + W, to steep S, burrows (can't enter burrow; rabbit blocks, dig)  
 W [Western Desert] caution to E. S → [Bluff] river for below, cloud over for boat, large + metal south on other side of canyon.

x ocean {edge of Alpha Continent Massif}  
 / N of Warren → [Sandy Mound] dig burrow. enter burrow [Inside the burrow]  
 out. x back (disturb) E → [Meadow] / [Beaver Dam] fish, beaver, river crosses here;  
 deer wants the smell of the Wonderful Plant. ∈ [Overgrown Forest] thorny plant. (nut + vanilla?)  
 eat fish (vile) / lemmu fish leaves a psych delirium

Swampy water @ Casades  
x pool (edge to north)

long fish (other approach)  
other follows you?

(note - but lemmu's fins (4), can't get better)

@ Bend: other fish bones, lake

x hatch. (paul, wide forest)  
 x side: 314159° (keypad)  
 type 3 on keypad (too high to reach + need fingers)  
 x nose. x hatch (retreat 1/2 off ground)

In the Rock Pool (unreachable above,  
justification below?)

- The other will chase you (after feeding it a fish) to Precarious ledge (ledge between 4 & 5 both fall to In The Rock Pool.
- The fox will also chase you to the ledge & you both die.
