

The Christmas Party
by Old Grover
(Alem 3)

start: ~10 am?

with almost nothing, ~~make~~ ^{decorate} a hall for a Xmas party (time limit: Melody book at 1 pm)

[Main Hl] ^{quinn} on windows, exit S, stairs U+D. i [penary, tree box]
open box (top half + bottom half of tree) put top on bottom (tree) a tree (no stand, but cord)
& walls (outlet) take tree. drop tree. drop box. u [kt] stove, fridge, cabinets, sink, N, clock.
open cabinets (popcorn, flashlights). open fridge. take oil. N [Utility Rm] washer, dryer, table, garbage can,
^(popcorn)

seting basket, mop. search can (ball of tinfoil) search can (tin can) ^{strip + clean}
open basket (scissors, needle, thread) & table (w/roten assembly auto taken)
open washer (sheet) open dryer (sheet) 'lace' cut shirt with scissors (-> snowflakes)
// drop assembly. take tree. put tree on assembly (it falls over) // wet mop (✓) {not turn on top}

// clean windows (when mop is wet). put snowflakes on tree.
d [Basement] pipes, furnace, fusebox, stairs, folding table. & furnace (auto take clamp)

open fusebox. take fuse. put penny in fusebox. u [Main Hl] drop tbl. unfold table.
// unfold tinfoil // put sheet on table. take tree. // put tree on assembly (if you use 'undo'; this won't work)

plug cord in socket // put popcorn in tin can. put oil in can. unfold tinfoil. cut tinfoil with scissors -> tinsel.
put can on stove turn on stove. / put tinsel on tree. / thread popcorn (there won't progress unless
put garland on tree. put ornaments on tree (160 & 160) wait for melody. ^{by now sensible actions})
