x card (547 credits) x ship ("Pasqual Obispo", best reddeus)
 x wheat (wheat?) need wheat (export at 843%? buy Bordi Jurrapu) x trees. x hills. x dunks.
 w → [The town gate] wall, weeds, arch "Ydarrit", dust x wall (could jump it without touching it)

n → [Garden street] N/S, houses, gardens, pine trees. n → [The town square] N/S/W/NW/IN. (INEN)
 skeletons, rats
 peruse tiles, buildings (of plasticrete), holograms, statue, town hall to N.
 x statue ("Bordi Jurrapu, u meillor biotecnicien ab Bellona" {sour-looking man in lab coat})

n → [The civic center] s/out. computer terminal (AI?) ask Terminal about wheat ("Certes. Tut vos credito
 fui ussad per computer trig." {y take a deed}) x grain deeds [deeds to 20 tons of Bellonian super-wheat.]

w of Town Square → [Fri street] houses, gardens, trees, villa + sign to NW. ("A ventre")
 w → [The machine shop] anvils, hammers, plasma flow modulator,
 /NW of Town Square → [Espizegazer] machine shop to W. w → [The machine shop] anvils, hammers, plasma flow modulator,
 Argentinosaurus, Maita Jakeres. ask maita about ship ("Certes, il costat 5000 creditos.")

ask Terminal abt planet/Bellona: "Il planet Bellona es il meillor planet in ist sector."
 ask maita abt ship { she takes card, & gets your ship with her dino }

@ Terminal: Sell plans - x card (you now have 6476 credits). / ask maita abt ship
 { she takes card, & gets your ship with her dino }

3 endings:
 - buy house
 - leave in ship
 - leave in ship with grain deeds.

if you ask Terminal abt the house/villa, y can buy it for 4000 credits.
 somehow, I didn't get the wheat-profit ending because I'd bought those first?
