

(y're done! sprouts + ready to ply fists of gold) - I'm zombie & Elegg's ghost.
[enjoy escapism] [ghost pounce] I failed y. I'm saving humanity or go kind. Y'a human is there.
Plo stop. [offer to talk] Noble, but peace only possible when all yr kind is dead.
(she uses remote) Elegg frozen. Laurence offers to save ghost if I allow myself
to be destroyed [attack equipment] {E traded my life for info; E betrayed you}
~~Why?~~ [Why?] E satisfied (sorry) then condenses to black hole {y're in cage;
others not so lucky, your character wants to redo it all. Credits.
[didn't say right things to her] {Special thanks; exit game}
[sleep]
