about { T types, may need to entertain, X all often, HWT/HELP }

X clock (wheels, gears, glass)
+ Garfield (1: Mole, 2: Mole, 3: General Amish) 3 - no connection, knife died 2 yrs ago, ^{was} in British army
2 - C's watch stopped at 2:30 then started; Dr Mole confirmed time,
02:35 Garfield was witness by his employee, Mr Allington (guard had suspicions; either Dr Mole or Allington in on it)

X Allington (husband's boss) ^{later got sh}
Allington 3 - waiter.
2 - several people saw it at time of murder. At 2:30 he heard scream from room of Stone; she had a nightmare; ^{compared}

X Stone (tall, long hair, author of House Blue Was in Sky)
Stone 3 - main hit & novel, in England on vacation, unlikely to know the victim
2 - nightmare, unlikely to be murderer unless working for someone

X Mole - hand on Dr in hand
+ Mole 3 - he & John McClure. Victim sedated & laudanum in wine then stabbed x 3 & knife, fragments wiped;
with stopped at 02:30, Dr has no alibi 2 - no alibi.

X wine - written then used baguette
+ wine - Count admits he is drinking fruit juice from a wine glass.
X Count (band & her wife) & chair (bankers - killed all the way back)

+ Count 3 - German noble in England; no alibi, claimed to be asleep.
+ Goodfellow 3 - he found no clues; y don't know why 2 - dit arrived after murder was committed.
+ Fax - breadaw, y had worked at hotel for short time - possible to be close to the victim?

+ Garfield 1 - motive argument? Colonel impossible to please.
+ Allington 1 - job to get close to someone? (absurd! (hint of fear?))

+ Mole 1 - no motive; willing to give.
+ Stone 1 - insignificant (don't write crime novels. Too tardy)
+ Count 1 - ~~not~~ chilled, but friendly

+ Goodfellow 1 - unlikely
+ gears - building a case is like designing a clock (Stone: excellent simile)
+ tie - Allington exp like found clothing + table - no one's using it (no response)
+ couch (hotel is affluent) + chair (Count comfortable, not tense at all)
+ legs (dirty old man?)

x suit (bump in right) x revolver (worn)
x bump - James is carrying a 38 revolver. x revolver (worn)
x revolver - James was originally Brian Holmes, MI6 Special Ops; Col was in his unit.
When he was killed, I found an envelope had finally caught up with me.
1 motive - worked in Col during the war, could there be some disagreement?

t Holmes 1 - war career.
t court's beard - he wanted used to it. - reveals self as younger Sylvester Starfield, reporter for London Tribune,
resembling Col's war effort.

x starfield (no longer loved)
t starfield 1 - Research - Col and many enemies, a German agent whose name reveals, name unknown.
Col also sired an illegitimate child which he abandoned.
t starfield 1 - motive - perhaps Starfield manufacturing a story?

x hair (Shane's) - too blond t hair - too blond. Shane admits the dye is in a bracelet.
t book (Dr. reddy Shane's book. Dr admits he is a huge fan of Mrs. Pearson)
x dr (light buttons - go shirt & dark jeans)
x shirt (small stain) t stain (bloodstain when x Col => Oh god. what was I thinking? He sets uncontrollably)

x robe. sleep doctor { he covered for Mrs P because he couldn't bear to see her talent sit in jail.
He saw Mrs P running down hallway as if devil chasing her. He backtracked & found Col with knife in chest.
Mole wiped the knife, & hid all the opinion. Drugg was a parasite. The stabbing was a red herring. How? Why?

x Shane { how like a deer in headlights, head in her hands }
x hands - light band on ring finger
t band - Mrs P reveals she is engaged to Jonathan - Red for 3 mos & hoped to keep it private.

x Jonathan's hands (small wounds)
t wounds - scrubby toes hand? - tried to help Shane's alibi
Saw Shane with down stairs to library. Col attacked her.
He set the Col's watch to 02:30 & stabbed Col three times & then made sure Shane had an alibi for 02:30.

x alibi (now looks tenderly at Shane, nose squirts) x nose (long!)
t nose { Sgt grasps. looks like Col's! Jonathan confesses he's Col's illeg son from war.
I tracked him to here, but to meet him, not kill him. }

x goodfellow (unfun - french wit & peaked cap - checked band.
t cup - Goodfellow is holding a gun, he is really Franny Kielbasheim & tracked down the Col for revenge.
He gave Col the cyanide & watched him die. Col's stagger to Shane was interpreted as an alibi
- any last words before I kill you?
pray. + gun (I unloaded it earlier) + Franny (yes, I would kill you) take gun. { solved! }
