Music Box purchased in 1670s? First craftsman said its fine; then went mad. 2nd man said its broken.
 broken. Boy lost the front by Uncle. Uncle's friend opened & heard it; then later drowned self. Uncle pitched box into English Channel; it returned.
 Locked all notes AND boxes, took cricket, for this morning I heard the music on brother's record.
 Brother had music box open & could hear music, yet I couldn't hear it. / Brother dead in Belgium. Music box now on mantle. [1865]
