THE END
MEANS ESCAPE
(end means - gm)

See ABOUT

Chamber music

- door, balloon, table (book), scissors, monetary note, lamp
 - x book - slams & shows spine
 - read spine - "The Unabridged, Heterogeneous Dictionary of the English Language"
 - x note - corners curved (portrait of emperor)
 - x balloon - no string or knots
 - x door - hinges (wings), knob, keyhole (puckered)
- door talks!

ask door abt door, book, hinge, knob, panel, frame
note talks! - doesn't trust you.

(note corners - scissors like to slice at my corners.)

unfold scissors - ceiling, table, door, book all complain

floor - carpet/mug, scraps

balloon, rub rug (static electricity)

lamp E base, shade, pedestal, enamel

ask table abt wood x 2 → wood is sensitive (featherweight pressure gives nerve three table)

ask door abt scissors. "If you want them open, talk to note"

note says it can convince scissors that you're ok, but it needs to feel safe itself
note instead wood cracks (moisture withold)

(book has leather cracks)

ask note abt balloon → balloon picks up note

ask note abt scissors → scissors unfold

ask scissors abt book → book opens "You don't want to relinquish this niche?
Then ingress here."

enter book → The Inner Dictionary
their been comes hand

The Loran Dictionary

l : their turn comes hard
