

ENLIGHTENMENT

Enlightenment - gold chain tied to troll's neck.

- bridge = troll (At The Wrong Side Of The Bridge)

- Footnote 1: - trolls don't get married, not illegitimate carbonium (3)
- 3: - don't let the bastards wear you down
- 2: - trolls must be burnt, melted or eaten (a game could eat it, when it's dark.)

carrying - backpack (lit + closed + worn) - glows in splendour of your (6) riches
 sword (lit) - switched on
 cross (lit + worn) - glows in holiness
 amulet (lit + worn) - glows with magic
 lamp (lit) - handle + hot

- backpack { tinderbox (flint, iron + wood shavings)
- glow ball - rubbers
- can of G*** Repeller
- flask - contains water
- crystal phial - shines from within
- stork certificate - for FM Nitrocellulose Co
- stick of gum (green)
- screwdriver (magnetised)
- stony jewel (sparkles = inner light) (4) size of quail's egg

(4) quail's egg = size of Easter egg, for what it's worth (5)
 (5) The info, that is. Easter egg worth a few cents, stony jewel is priceless

gate - prongs extend from gate's base into notches into slab beneath gate.
 slit - part under gate slopes up to follow gate's taper.
 narrow gap between base + stone
 gap - narrow; cannot see up the slope very far

Throw sword at troll > T*** adventures never voluntarily let go of their blade (7)

- pour water on lamp breaks glass, exposing filament + giving glass shield
- put stock certificate under gate
- don't burn it.

(DON'T) PUSH TROLL → less than courteous (8)

(8) also less than bright (9)

(9) choosing to push the troll, that is; at the troll is less than bright too.

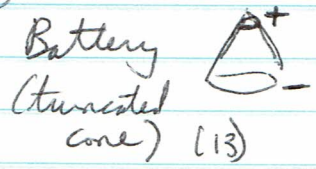

- cut grip [of sword] with shard. ⇒ reveals a panel (closed)

- wrap tape on screwdriver
- ✓ break filament w screwdriver [Planet dies!] (1pt)

- cross is also thin enough to fit under the gate

- put gun on stock, put gun on cross, put stock under gate, burn stock (1pt)
- ✓ amulet fits into tinderbox (1pt)

- unlock panel with cross not screwdriver

(cross flies away on other side)

(13) Word of the Day: "frustum"

- ✓ put jewel in compartment (of sword) + close panel (1pt)
- ✓ throw ball at gate (troll fails to catch it) (1pt)

- put phial in keyhole, push phial with screwdriver

- ~~put battery in screwdriver~~ (click - battery sticks to screwdriver)
- ~~put battery on screwdriver~~
- put screwdriver in keyhole (1pt)

- ret glow of troll's eyes.

- ✓ spray repeller at eyes (1pt)

- ✓ cut eye with sword (1pt)
