

Evil Brain Film

[Props for] (have Bluman dead, weapon missing) (props, shelves, tbl, dr,

props { skull, golden banner, can of coke }
tbl { plastic lollipops, small safe, fishbowl } specs

x have { clocks } x cloak (pinned by knife) - cig xray
i { evidence bag, lighter, pack of cigs (9) } (mgr enters)

ask mgr abt here (lights go out?)

l. x fishbowl (glowing, brain) x liquid (It could be the source of nutrients 'bio-soup',
providing the evil brain's nutrients)

light lighter. (handle of shelves), tbl (axe?) (floury hat on shelves)

ask brain abt here. g. g. g touch here. g. g.

> xy 223
"Xy 223" you say. A hollow voice says, "Yeah, like that ever works."
On closer inspection, the voice stems from the fishbowl.

> g
"Xy 223" y say. "Is this normal police procedure?" asks the evil brain.

> g
Safe! Did it 1.36 ^{x can} take can. (~~did~~)
how did it IV (can't go beyond 12)

Show cigarette to brain. g. g ask here abt X, g* (have played just the in
now)
← look at props while it's dark.

ask producer abt problems
ask manager abt here
