Poyez A) wife B) critic C) boy D) student
(12 possible endings)
"character" to change character

boy: I don't belong here. Lawyer brought me; Anatoly's will; last showing; 12 paintings; Anatoly hanged himself. {i: nothing}

shores: A did this before we met. Vg beautiful. Woman aka Statue of Liberty. Clear water aka Fountain of Youth. A would always talk of "young & beautiful" as one word.

women - don't usually go for women, but don't want to be alone tonight

orphans - A was troubled, very sad. This pic is scary - vomit on corpses.

Two women in crosses, like they're in our world. Not us. We'd hold me tenderly.

Lev j. - only called A once; hadn't heard from him in 2 mos; shouldn't call a truck, but he wasn't one by then. Associated phrase in Russian. Was working on this painting; weird colors, people, crossroads, worms.

Caviar/waters - waters zoom away from me

vespers - A saw it in a dress. Nightmare: spiders & insects in church.

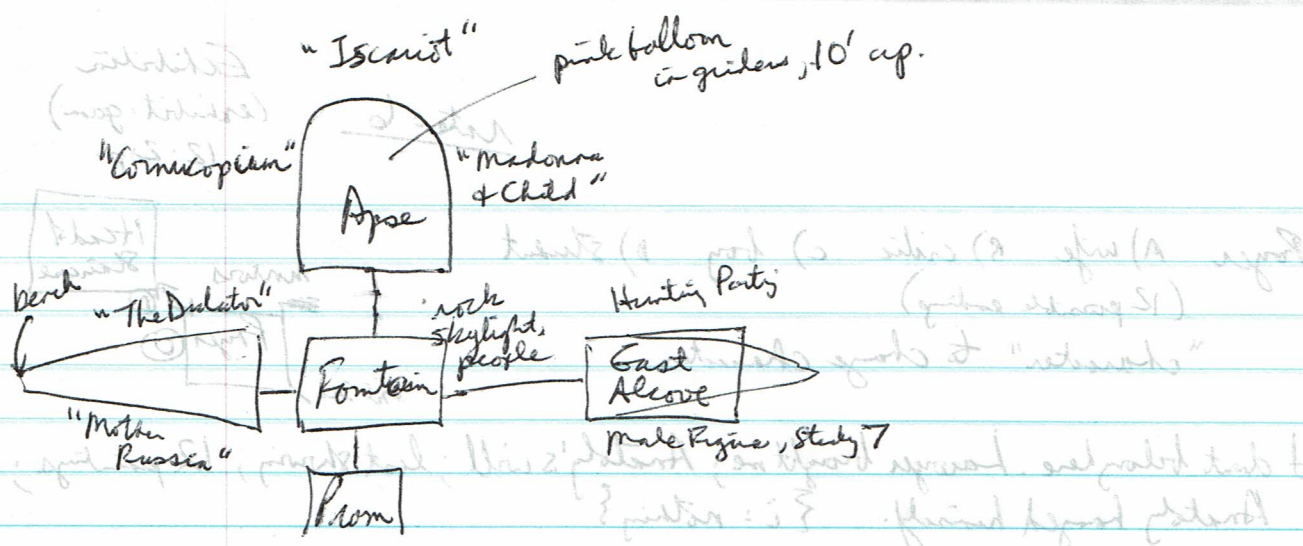

We went out & drank wine & had love & he pd me - I begged him not to.

When heard of A's death, drank cheap bourbon & coffee & slept next to a dumpster.

family - seems familiar, family in old fresh clothes, but in doll house & people looking in.

Like when had dinner & A & his wife - she doesn't speak American.

He said she knows abt their relationship, no secrets. Was last time at his home.

fontain - streams of water

l in a - remnant of Narcissus story

x me - white shirt, old khaki pants, stupid little tie, feel myself blessing

skylight - sky is dark

study - of me, beautiful, 3 yrs ago, last picture I posed for.

people - guy here who I touched for once. Dorker, works for Times.

hunting - where A first met me, in front of theatre, - he wanted a model, he painted me. After he pd me, I kissed him & left. He on bke 4 me.

dictator - letters hidden in panty. (Slept at studio when on meth.)

Picture of old lady on throne - but letters look important.

russia - there almost whole time A panty this, the last wk.

Valley on bke of coast floating in ocean. A was quiet. First night we had love.

iscariot - A's last. Tree in desert & noose. Goat. On his camel when he hanged himself.

This panty is a msg. A had big brown eyes, goatee, hairy chest.

old guy - in subvertax; mithering.

2 old guys kissing - cool, but out of place here.

madonna - Mary looks like A's wife, his wife is prettier, painting looks bored, A scared of ^{Mary in} God?

cornucopium - before of met him? Pic of people dancing, kissing, holding, did he think it was too good?

star - among me.

wife - appear calm, won't speak to them, still smile, ret to Russia after 3 yrs.

All 12 since he came to America; lawyers said it had to be done to pay debts.

Apse - all are crowded around Isaacit.

Asers - from A, black, too Jewish but A'd wished that.

scientist - A died on Monday. Took cab to his studio, called police, didn't see A hanging.

America was his Judas, this empty promised land.

madonna - Sarcophagus. Was gift on last anniversary. Shouldn't have painted me as Madonna.

Beautiful in gold & blue, but he must destroy it.

Concupiscence - this was A's America. "Motel" & "Vacation"

dictator - of his mother, he was her 5th ^{child} & only son.

Throne, lions, kerchief, goron, feet, family, jam, rows, beets, potatoes, outlines

gay man - how can they do this vile thing? Surely made ill by smell of benistone on their breath

Russia - painted it for his mother, but she said it would be too big to carry. Beautiful.

young man -

figure - nice boy, had dinner w him once, flattering.

elderly man - foolish to hope someone here can understand me.

hunting - picture of 4 men w bows & arrows, riding white horses thru a city. He hit me.

vespers - I hate this country for ~~being~~ betraying A.

lost - St Peter w seeds, Jesus weeping men; his mother chose me for A. Decisions weighed heavily.

family - A longed for home.

spores - 1st party - "I am horizons & the world is rebuilt" lady in waters.

orphans - I saved it, he tried to burn it. He hit me. Picture of road to hell, demons, barrels & 2 demons.

critic - partly deep form war, only last party is actually new.

Will be refreshing to examine artistic merit.

figure - lifeless, no originality. 4 bulls heads in corners seem out of place.

My least fav. of his compositions.

hunting - of 42 st area, just 6 mounted Ren hunters. I was upset i look of delicacy.
Suggests A was a substance abuser.

- student - hates guys who try to impress
Orpheus - overblown grisly messianic, one side is burnt.
shores - "Liberty on an Acid Trip?"
respects - most vivid & creative domination of theology I've ever seen.
family - creeps, diaries, stemming fish → Christ ref?
lost - Domokov was nuts. Naked bloody men take heart out of their chests, etc.
newlyweds - vs young.
figure - vulgar excess, questionable sexuality revealed, fantasy he didn't attain.
hunting - male supremacist beliefs showing
russia - drab buildings. Why crab? escape not successful
dictator - coloration hurts, Express tent card. Anti woman images.
isernist - can't rationalize the insane.
connoisseur - undersized man. Horn as centerpiece to sordid bacchanal.
madonna - simple classic image done very well. Only flattering female image.

- newlyweds are mayor's son + new bride
- critic is in silver tux & deaf
- young man ~~is~~ replaced critic at Times, + tricked a boy.
