

- Stone - pebble-sized
- look - guide to the plain
- read abt HIGH WALL - divides the sunrise from its setting & ensures the shade of the plain
- " " Tower - admits of view of all. Our standard flies from its height
- " " SUN - will rise in our lifetime, although to date it has remained hidden
- PSTD - substance of evil
- MOBILE - laid for the provision of movement & additional sense
- STONE - sacred, as its brethren compose the High Wall
- RGSTINTH - device made for selfsame purpose
- TOOLMAN - grower & keeper of tools. He takes it a hand & likewise provides
- SHADE - remains our eternal state
- PLAIN - container of all in it
- CURB - It pretends poorly to extend a CURB by other than artificial means, it must be constructed deliberately if at all.
- SPINSTER - made of burlap & bark, predicts sunlight & foretells shade
- DUN - loose food
- SONGLANTREN - brightens without intervention, its tone enlightens its words
- CURRY - to consume silently & with regret

stay → you glow!

north: pie of mobile + structure  
south: hills, flaps  
west: desert

you influenced  
by The Age of Wine  
and Stay (book)  
by Ben Marcus.

The Book of the  
New Sun by  
Gene Wolfe.

ANCHISEZ - used to carry softer rock & precision.  
For larger work, a gouge is required.

give anchised to toolman → lie opener {intentional in shape,  
small button

LIE OPENER - device to unstop what is fake. No effect on the true.

push button at end of Passage (words die & water falls & pushes you w  
- stream of water to hole

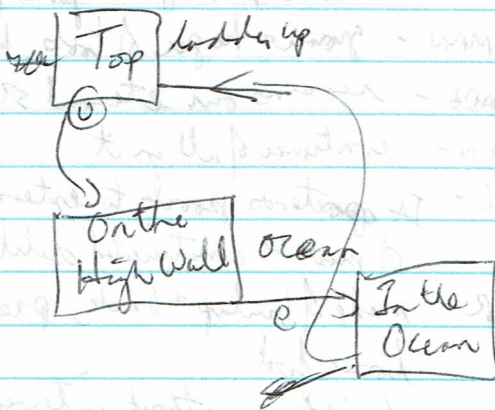

In model - crack: put stone in crack

LIE ESTABLISHER - squeeze to sustain all immediate lies (look like  
a lemon)  
squeeze it at end of Passage → into "In the Cylinder"  
⇒ to "Top of Cylinder"

take handle & bar  
→ handlefish

HANDFISH  
(has adapted to the water of shade)  
may die in water of Sun

take model

In the  
Water

rock  
gut work  
2. gut fly

n.  
take model.  
empty model.
