ENTAN (entangle) - on vegetation

WARP (warp wood - on any wood, but normally only on dead wood)

PUR6 (purify water)

CREWA (create water)

ATLAS - NE of Camp (Mt. Terra (once mined for coal), families, druids attempt to repair interior)

NW of Camp (camp that makes charcoal from dead wood) from Port to R Setalinin

SW of Camp (Forest, Great Tree (sacred prayer), acre of gingerleaf (medicinal))

SE of Camp (inlet, fishing, sand, island is 3 days portable away)

E of Camp (farms: corn, oats, canola)

Setalinin River (N of fort, basin N+W of mt Terra, flows E to Gt Aegean Ocean, ^{enters at base & apex} ^{bramble wall})

Pt Aegea (processes agri for export south; 4 areas: res, crop, livestock, enter/social)

HISTORY Beginnings - druids rule Amylga to prevent feudal disputes. Environment is permanent.

System - hierarchy: healer, aspirant, ovate, druid, archdruid, supreme druid (Allerah)

- judges; may not partake in business or profit.

Customs - moon salt is used to contact Temple in capital

- butu sticks awarded to victorious party

- druids can ID any plant, animal, or pure water. Never destroy crops except ^{worship} some cases of self-preservation

Spells - no power over undead (Glowing Harbors, Horn of Plenty)

"Permeable Bubble" - oxygen filled & durable, breakable by fist or spear.

Weapons - No sharp edges. Staffs or mace. Armor only for battling monsters.

Jewel of Knowledge - doesn't exist, many died, dragons, Allerah had much to answer for.

x me (Priestess Pryzielle, Governor of Pt Aegea) x bed (straw mattress, legs, down pillow)

x battle chest (arms & mace), x long table (The Amylgan Druids: Our Order;

Pryzielle's Spell Book; Atlas; moon salt

x salt (to use it: light it & ^{inhale} ~~smoke~~ smoke) x night table (mugs, antique)

x torch (boy provides a new one every ~~evening~~ ^{evening})

e → [Western Camp] shanties, path E W to residential

e → [crossroads] center of fort (N to food, S to livestock, E to main entr/social)

e → [East Camp] old tinus, children, wall, gate

proble: N → [North Camp] workes hull + dehusk crops, wall
hear mbling E beyond camp

[East Camp] gate open - apprentice Adam: "conflict between 2 farmers of eastern gate"
farmers are Valdine Roi (canda), Andre Champagne (corn, new)
Adam gives y a baton stick

ask Adam abt conflict (not sure.. still in training)

ask Valdine abt conflict (Andre's crops are encroaching on my property
& if you subsidized for crop loss, will keep corn for myself. If favored, I will
accept payment for land that he's using)

~~ask Andre~~ ask Andre abt conflict (few ears growing, but I'm not the one who planted
them. Nature did, I'll be happy to share profits of corn with Ms. Roi)

ask andre abt corn - corn seed spreads eventually because of winds. I can't help that.

ask valdine abt corn - ~~is~~ invaded property & robs canda of sunlight.

[hear mbling to east, soil trembles, see spot of green to east(?)]

ask valdine abt canda - smothered by larger plants; it needs adequate sunlight.

ask andre abt canda - my corn hasn't affected Roi's canda, I'm not really sure.

ask andre abt valdine - Ms Roi has never liked me. I think secretly she wants my land.

ask valdine abt andre - Not just time that Andre's crop has invaded, last year 50 stalks

ask andre abt andre - try to be a good neighbour

ask Valdine abt valdine - I work very hard, I want what's fair.

ask Valdine abt last year - same problem, 50 stalks

[hear loud swooshing sound, like breath blown through a straw in yr ear.]

ask Andre abt last year - The same thing happened last year, but not my fault. Mother Earth.

can give baton stick to either (I chose Andre)

2*. Adam finds you. Farmer claims to have seen a demon! Demon came from sky, turned it green.

Farmer's crops & family gone. Demon & farmer want to speak with you. (go to E Camp)
[E Camp] Joseph has fewer (bleeding all over, green gas from his body & clothes)

ask Joe abt demon (Hear; can't hear) Ancient pact with Gods. Wants blood of 4 virgins over age of 30! Demon is offended that we are not prepared for the sacrifice (Pt settled 80 yrs ago. Who were civilized earlier?) x gas (he shops; Joe's body w)

You may be one of the few virgins of age available! Consult i Allerah.

Light suit i touch. inhale smoke. [Amylyon David's Temple]

- Oracles say dragon encroaching on yr territory!

2. "His name, Phixio, Green Dragon, not seen in a century!"

Breath weapon - green gas (flake skin, blind, asphyxiate in long duration)

He is a gambler. He'll enter any way you where he has a realistic chance of winning

2 Talk to him. Stall. Troops will arrive by nightfall. Destroying Pt is not his best interest. This attack seems unprovoked. Any ideas why?

tell Allerah abt pact. A is confused. Why would he want 4 virgins? No sacrifices in dragon history. Oracles will continue searching for info. Now go back.

W → [Hut] Adam asks abt Allerah's; will y be accepting her orders?

yes. "Then I'll help y get ready."

morning. [Cleaning] find off to west, paths in every direction, green mist E, Green Dragon here, waiting for you to speak. Eastern Gate closes.

~~talk to~~ ask D abt pact

1) How many hrs of service? 2) Food find to go. 3) Where you been? 4) Promise no harm.

1 → Yes, I'm offended. Agreements should be honored. ask D abt X

1) Forgive me, what agreed? 2) Surely our colony cannot be accountable for another group's

1 → Gods brought Dragons onto being to protect, & granted consciousness. Virgin blood keeps me young. This isn't personal, I want what's mine & now!

talk to dragon 1) I offer myself first. 2) Compromise? 3) You must leave.

2 → Like what? talk to dragon. 1) Come bk in a year. 2) Get pants, 3) wages.

3 → Fine, but I make terms. Cat & mouse. Go anywhere. If you are alive when sun sets, you win. Else I eat you & every virgin here. Deal?

→ yes.. I'll give you a head start, but that's the only break. (+1 pt)

mt. Forest

to which way? NE, NW, SW, SE?

sw [by the Great Tree] gingerleaf. (cant take it. patients come to it, not other way, can pray. sw [Path Through the Wilderness]
