- Rock entrepreneurs SAM MOON of HeBGB
- HeBGB stands for Head Bangers & Blackface
- LAUGHING KATS, fronted by punk guitarist supreme YNGVIE and featuring terrible piping FLUTE of...

ask Billy re: Sam - we used to be partners (chill in voice)

re: HeBGB - haven't been for years. I advise to stay away

re: Flute - Kats had the hardest rockin' fluted

re: rat / re: Yngwie - Yngwie was a rat

ask Blity abt Kats - We hit #1 in Australia

abt rat - What a guitar player! even if he was a rat!

abt Sam - gave us our start, even after we refused blackface

abt flute - nil (also phone, band, pin)

abt HeBGB - great club. Don't miss our set tonight!

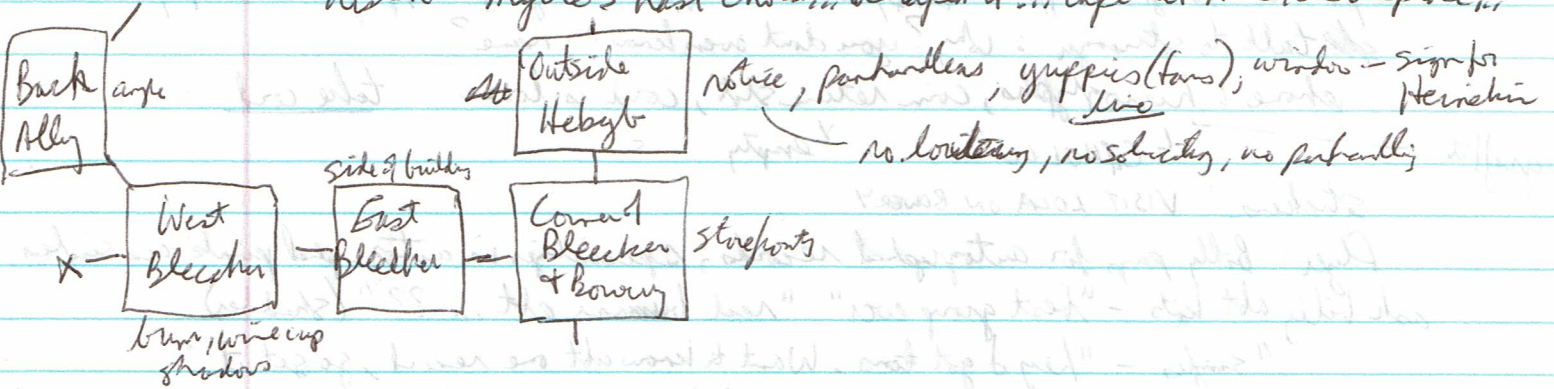

- eventually quarter in phone's slot

- ask Blity for autograph, give single to Blity, give pin to Blity

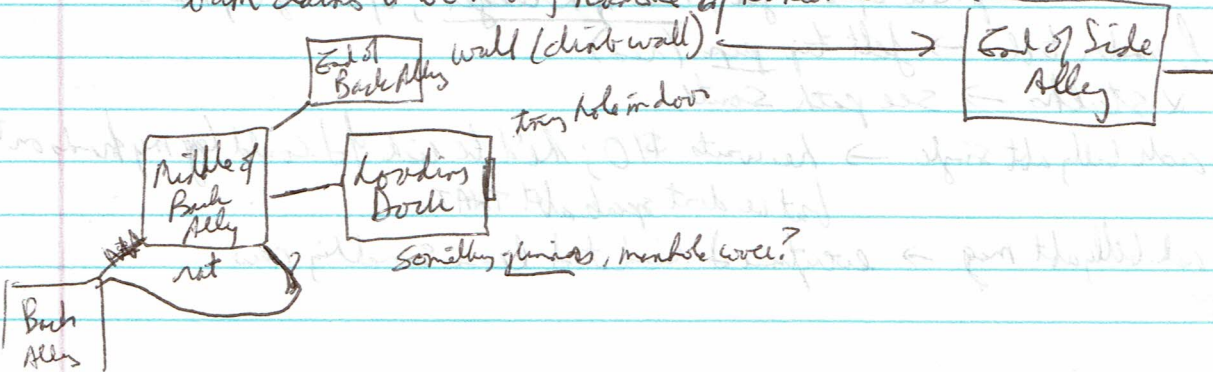

"say, I'll bet you can't tell me what instrument I played on that song

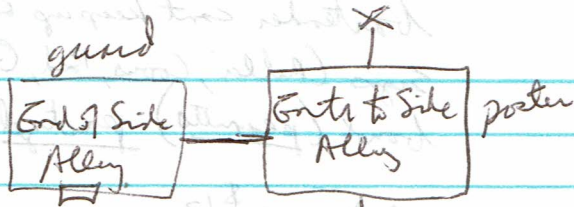

you played flute ✓ ⇒ ticket

hint: Yngwie's best chord... we taped it... tape at HeBGB someplace...

bum claims to be Motty Ramone of Ramones

Hebbyb-entr | attendant is taking tickets
