read scroll

Cat eyes - night vision

Down Under - "Arch of arches, heat of hells / From every tomb, / Each soul marches / To its rest / or to its doom!"

Silent Suggestion - "To pass the gates of a holy shrine / Requires respect / He who just ate / And drank meekly / The loaves of life" ^{The loaves of life}

Master Glycer - "Like a pool / Star-gems flow / In your breezes / What a cool / Shell y know / Master Glycer"

Golden Forest Runner - "... feet as fleet as flight"

Letting Myself Come Through - "Beside myself I closed myself out of my own. Before myself I beg myself: leave myself alone"

Sandstone Sifter - Sandstone to sand?

lost memories - remember smells

Gold Digger - strange men live in hearts deep underground mining for gold

~~at~~ LMCT - feel sympathetic awareness nearby.

sig gold digger (gold is now permeable) out. [The Glass Mosaic Coffin]

sig master glycer (glass is permeable) out. [The Belt Cypress Coffin]

sig golden forest runner. out. [The Quartzite Sarcophagus]

sig sandstone sifter. out. [The First Burial Shrine]

sig silent suggestion. out. [The Second Burial Shrine]

out. [The Third Burial Shrine] out. [The Fourth Burial Shrine]

out. [Burial Chamber] scenes of funeral, gap E, false door W, passage SE 2 stripe statues of yourself

sig lost memories {partly: Ka using, taking true regalia, departing tomb thru false door to afterlife; memories: Vefier takes crook & flail declaring himself your heir (y want to wield those again)}

E -> [Treasury] statue of Anubis, gifts, Canopic Shrine & Sceptre Case. open case {replacement Coronation Flail, Impolitic Spare Crook, huge Paternal Crook, huge Paternal Flail.} ← these 2 were yr father's.

x coronation flail. sig lost memories => LA Childhood memory] attendant touched the flail. {how to save him without taking blame?} break flail {the replacement is authentic after all}

x impolitic spare crook (gift from unpopular functioning of desired not acknowledge)

/// [Solar Sphere] sing gold digger - enter cage. X mechanism
Σ spool hanging from part of twisted wire, leather strap wound around, □ hole at bottom,
- below spool: cone of gray, seamed yellow-brown center.
- tiny bellows. X bellows. push bellows (aroma flea case)

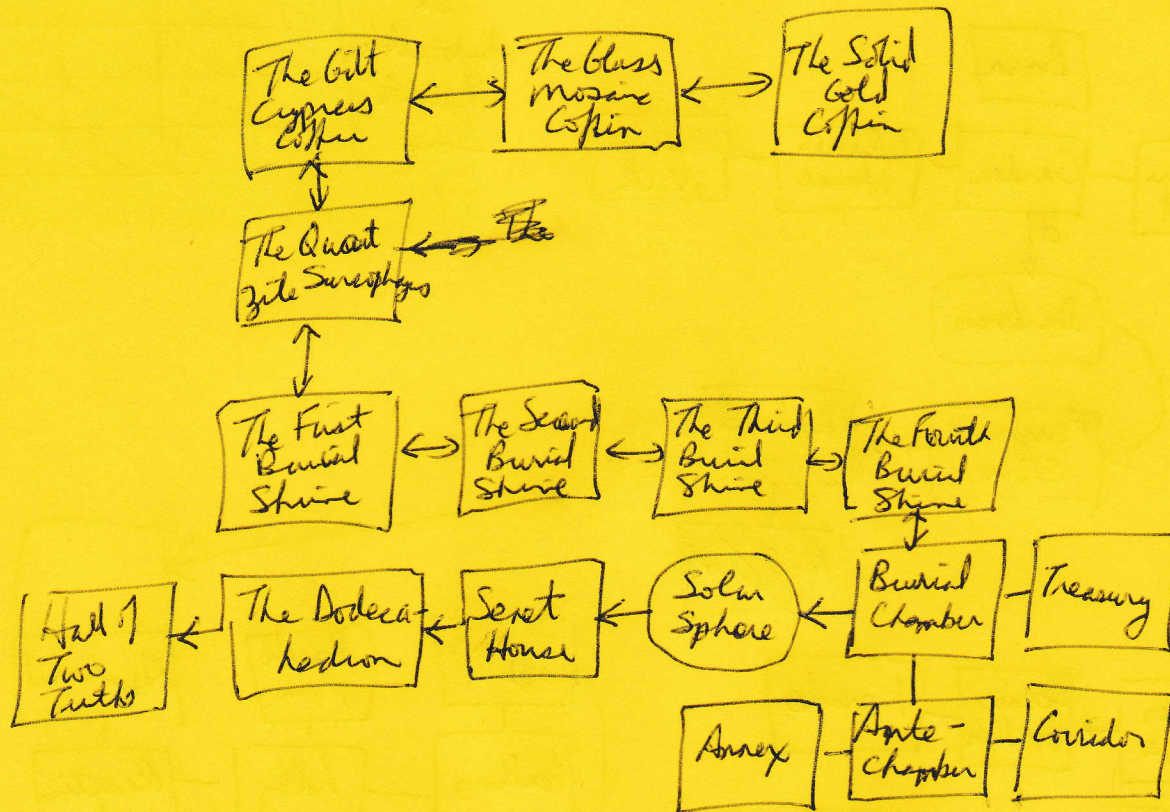

X amulet -- the world, yr kingdom is a white obelisk
// Time insect gold digger to exit - and fall onto the ~~sphere~~ globe Σ
take obelisk. d. // put obelisk in hole. turn spool. push bellows.
⇒ the large beams like the steps, Dawn has cone, west pole doorway reveals.

w ⇒ [Secret House] cube. hole of sunlight strikes the floor's center.
In the cusp of light: doll of an old man on a 3-legged stool, game board. (geantick). He watches y.
X man (silver skin, jewel eyes, gold smelt)
X board (Hounds & Jackals. dice, cross-crossing tracks)
roll dice. (he reads one lucky throw to win)
turn board. roll dice. w. (reused work & fluid)

[The Dodecahedron] copper ~~tiles~~ tiles, red flowers in crystal. landscape on floor, ^{or} ~~mining~~, every so often,
pumping equipment at Set. X pump (water wheel, shadow: lever arm & scoop (catch extra groundwater every so often))

take shadow. (floating abety) stop wheel. read river {new song: Inversions
"Night is rarely night: Temper low & low, Reap what y sow. / Day becomes the night: As it is above, so it is below"}
sing inversions { rows on ceiling beside flames in crystalline shell }
sing sandstone. enter shell. sing lost memories { father's funeral; time to be rid of the scepter }

put crook in fire. / put flint in fire. { w exit appears }
w ⇒ a clockwork hives blocks my path! { edit is supported by 6 legs in morning, 5 legs at midday, & 4 legs in evening? }
say clockwork. w. [Hall of Two Truths] columns march w.,
grd Arabia & demon Ammit are here to weigh yr heart on a scale.
i { 1/2 head just balances the feather } - how y connect.
