ABOUT
- You lover (sw corner of work area)
   desk (in-tray (paperwork), out - tray, telephone. i-tems)
      grey + write bottles (headache + sleeping pills)
Stamp paperwork (→) put paperwork in out-tray (Benson takes it)
take paperwork. × memo ("How abt a smoke?") e → [Benson's hand] stool, Benson, desk, papers, filing cabinets.
ask Benson abt resignat (he loves this)

White bottle (grey pills)
White pills - sleeping
   (put one in P's coffee)
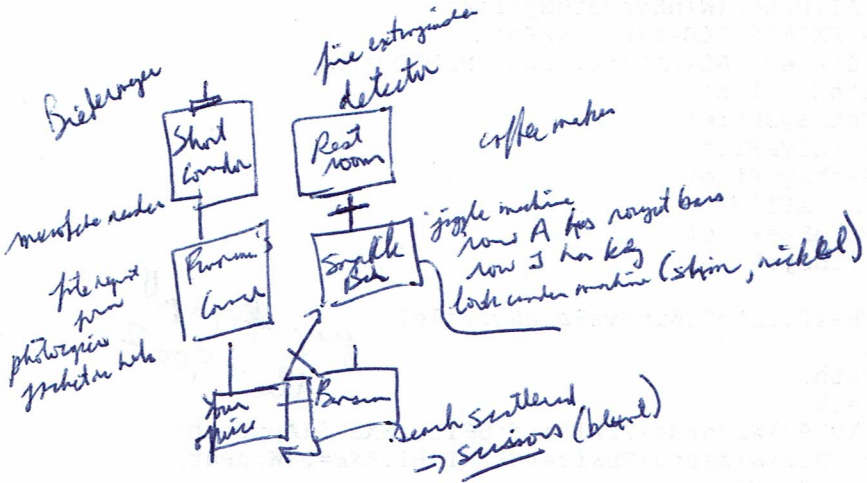

toggle switch O / X

stool, headache pills
& scissors to turn off
Restroom alarm.
sit on toilet. × dispenser.
unlock dispenser with key.

→ Robertson
= THEY are afraid of water. They won't touch it.
- water cooler behind basin, metal drawer.
- hit Robertson with fire extinguisher
   (phone ringing)   take opener.
- enter drawer. push btn
- pour coffee in sink

Bieberoger   fire extinguisher
   detector
Short counter   Rest room   coffee maker
menstrul reader
filter report from   Personnel Counsel   Scrabble Ben   jiggle machine
photocopies   row A has roquery bars
predietor who   row J has key
                                                           Lock counter machine (skim, nickel)
Your office | Benson
       → dumb Scotland
       → scissors (blood)

phenomenon angry.

TOPICS
former life
wear glasses. × title. ('9070').   [d1]
