

[Mouth] tongue, ~~teeth~~ taste buds, <sup>?</sup> cheese

take cheese

S → [Stomach] N → mouth, E → lungs; S → \_\_\_\_\_  
 gastric juices (worm). take worm. x worm

E → [Lungs] ~~vents~~, alveoli (closed) (W → stomach, N → heart)  
 take alveoli

N → [Heart] ventricles, atriums, blood, valves

N → [Brain] open synaptic nerve, white blood cell.

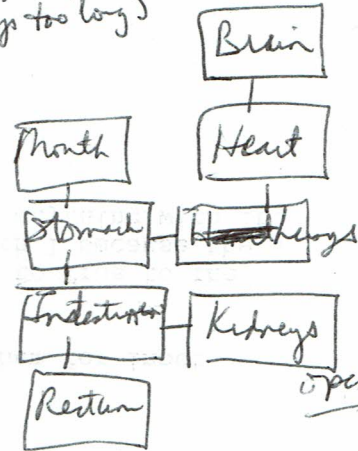

S of stomach → [Intestines] living. (N = stomach, E = \_\_\_\_\_; S = \_\_\_\_\_)

E of Intestines → [Kidneys] Cynthia (entrance closes behind you)  
 ask Cynthia about kidneys (she gives you a virus & dies)  
 (eventually you'll die if you stay in kidneys too long)

S of Intestines → [Rectum]

@ Brain → give virus to cell (both leaves)  
 put cheese in nerve (win!)

Microbe Willie  
 vs. The Rat  
 by Jeremy Yoder  
 (Ad4)  
 21 Oct 2002

open alveoli = bad.  
 (to get out)
