

MONDAY, 16:30

Adam (project lead), You, Nick, Susann

(broken)
Japanese-Korean eye pupil 3 - Adam tells you about the phone
(at 16:30, time stops) [The Office] eat lunch until 17:00, laptop out for repair,
others' computers are locked. Three cubicles, windows, desks, coffee machine, copier,
something on desk, clock, window (open) open folders (see girl in office across, parking lot in distance)

x girl (pretty) x parking lot (not now; looking at girl) x girl (she's not just attractive; she's INTERESTING. (Typical middle))
x girl (CHICKEN, footnote 1, footnote 2) 1. Start a conversation; 2. Make a good impression.
3. Ask for a date. 4. Do NOT be late. (afternoon: only) Egon

x coffee machine (pink button) Egon drinks coffee: dark brown. [16:31] at top of screen
take glue . x desk. (white basket) x basket, search it {find a forbidden pencil} {CLICHES: I seem to think that track}
x pencil . x shredder (empty) x copier (green btn, A3 paper tray stuck, lid closed, A4 tray empty, out tray empty)

x cubicles (Adam's, Susann's or Nick's!) x Nick's cubicle (stuff, workstation) x Nick's computer (off)
x Susann's cubicle (photos, computer, phone) x phone (sticker of a singing dolphin on it)
open Susann's drawer (brown key) x it (auto lock) open Nick's drawer (locked) push oblong button (16:32)

x Adam's cubicle (papers, order in F-U-T-H-A-R-K (as per search engine rules))
unlock Adam's drawer with key (clicks 2: the key vanished) open it (Susann's key + Nick's key)
unlock Nick's drawer with Nick's key (N's key vanishes; clicks 3: keys in locked boxes)

open Nick's drawer (donkey origami) x origami (made from A4 sheet of paper)
x door . x girl (click 3: evolution of neurons) unfold origami (3rd year - push oblong button; game has arrived,
donkey coffee; clock is melting 208:32?) push oblong button (for game's office) Egon mimes something with copier

say box. Egon it 'reduces' the box's right side} say right (oh, your height is my left; do something at left side?)
open?) say look (same left side of copier?; 4 minutes in) {fn 5 + fn 6}
go to copier . x left side (Paper size: A3 | A4. The switch is "A4", click 4: looking at object from another angle) push switch.

draw on paper. open lid. put paper in copier. close lid. push green button. fold A3 into airplane (fn 7)
examine myself (know origami shapes: crane & plane) fold A3 into plane. go to window, throw plane (wings too thin)

glue paper 1 to paper 3. i {thick most A3 paper} fold A3 into plane go to window, throw plane (huge wings are too much)
tear A3, tear A3 paper, tear, A4 (-if I tear in half a sheet of A3-sized paper, I'll get A4 paper?)

tear (game again: tear A3, tear A3 paper, tear, A4) (very striped origami onto A3)
push green btn. tear A3 paper. i. glue paper 1 to paper 2. fold thick paper into plane.
go to window. show paper (not visible enough, too white) MIMÉ } scissors, fold, tear, box, look, hit

show plane at girl (she's giving. Now mine asking for a date) MIMÉ } scissors, fold, tear, box, look, hit
mime you. mime look. mime thanks. mime you. mime look. (compliment received!) (fn 8)
(one, how to write but dinner?) Egon but girl: you - push oblong button; game again! push oblong button
- something at shredder. say eat. (say paper (he mimes 'shred')) (shredder eats paper?)
(y can now mime 'eat')

mime you. mime me. mime eat (You are eat? she says 103)

(S&10 at entrance of her bldg)

answer phone (Adm writes an origami zebra) { Adm writes it smaller & cuter & left on
your desk when y leave at 5. } open lid. Take ~~the~~ origami, fold it into donkey.
