

Moonmist

start driveway 7pm
(in sports car)
- wearing tweed outfit.

'Lionel's memorial birthday dinner'

dinner is at 8 pm

Characters

Tamara Lynd

Lord Jack Treayllian (Tamara is engaged to him)

Vivien Pentreath (450 years, ~~was~~ was mistress of Jack's Uncle Lionel (pres) ^{host})

Hon. Iris Vane (debutant, poss love Jack)

Ian Fordyce (Jack's best friend, officer in Guards)

Deirdre Hallam (Jack's old girlfriend; flirts - drowned "White Lady")

Dr. Nicholas Wendish (doctor, Lionel's best friend)

Montague Hyde (antique dealer)

Bolitho (elderly butler)

Bolitho (7:35)

- saw ghost last night with Jack & others in new great hall
- groping on marble, left handedly - fled into drawing room & vanished
(not in fog either & door locked on inside)
- gives small aerosol device ("JUST PRESS THE BUTTON")
- view yourself ~~by~~ at all angles by adjusting hinged side mirror & wall mirror

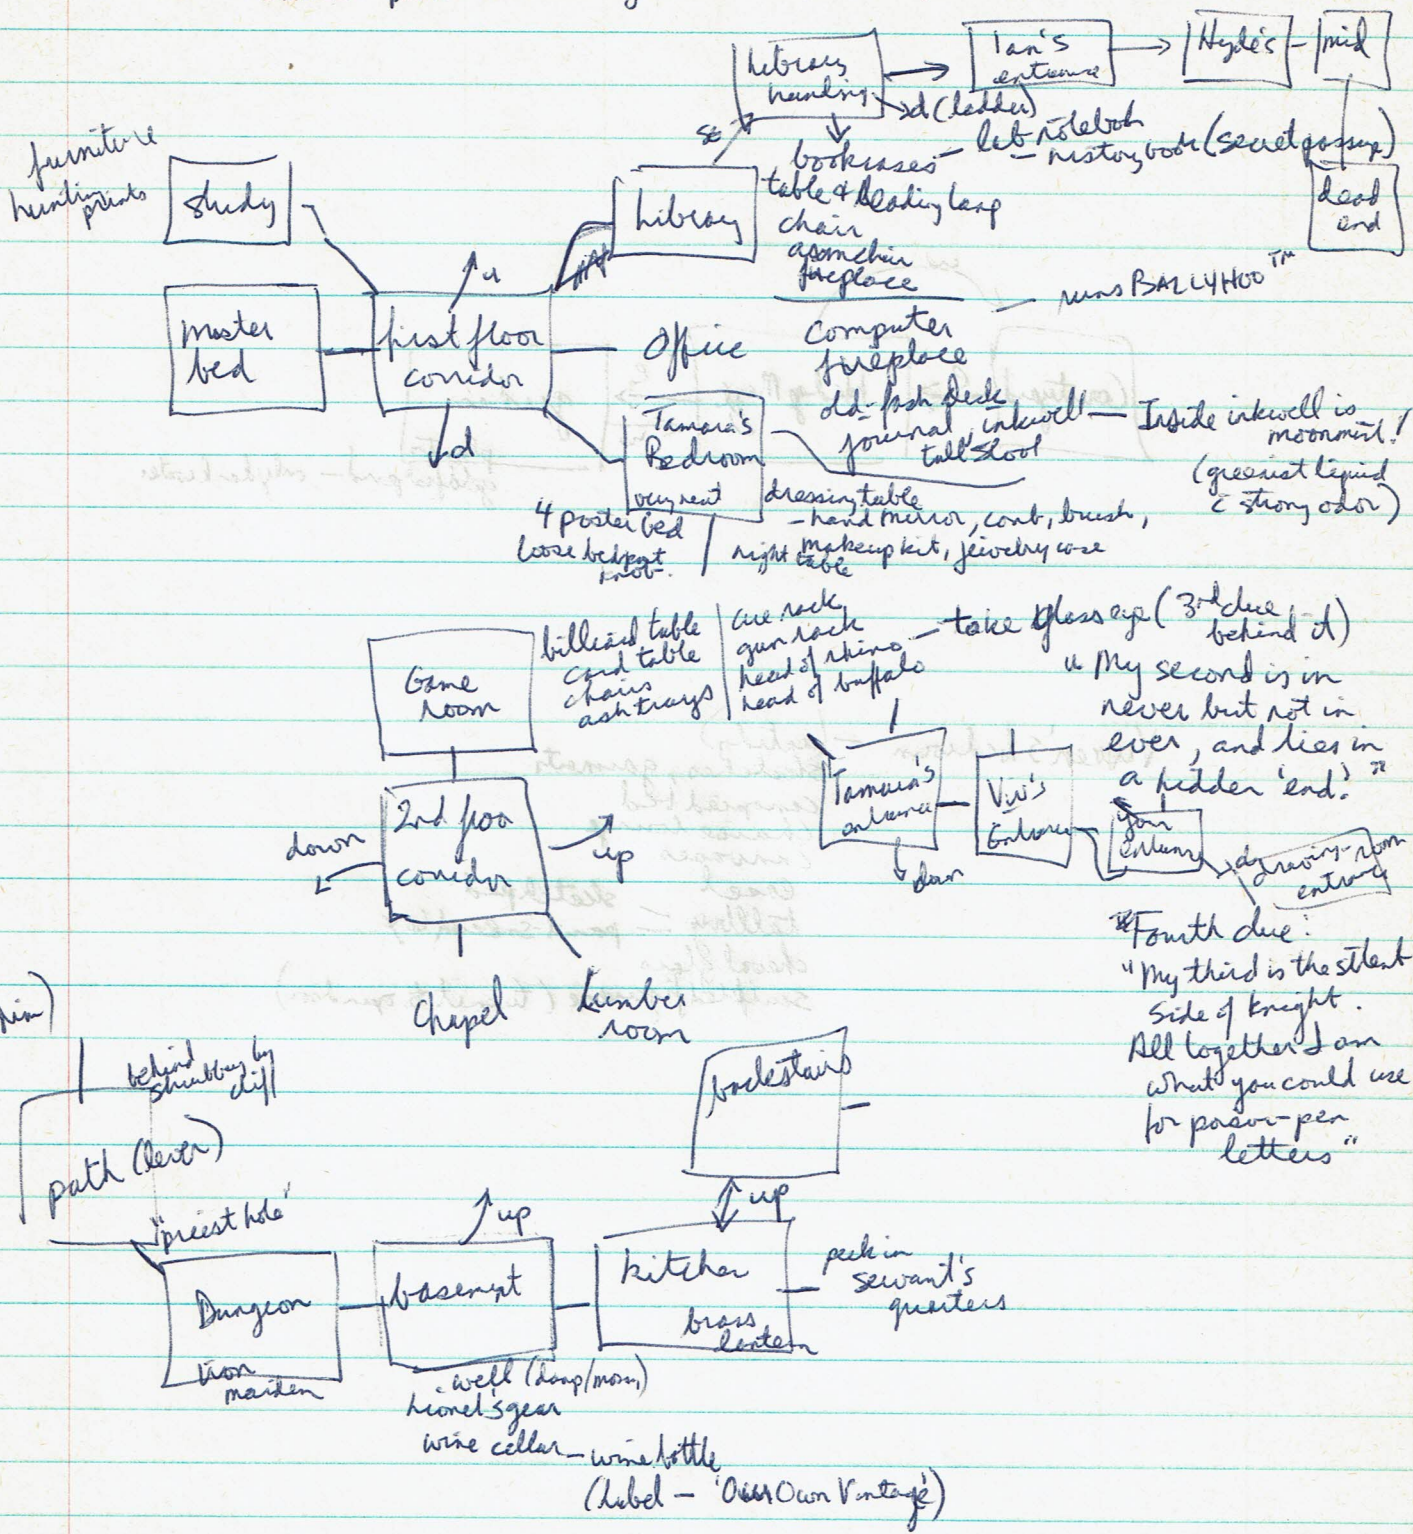

Green Widance

contact lens on New Great Hall floor
~~people~~

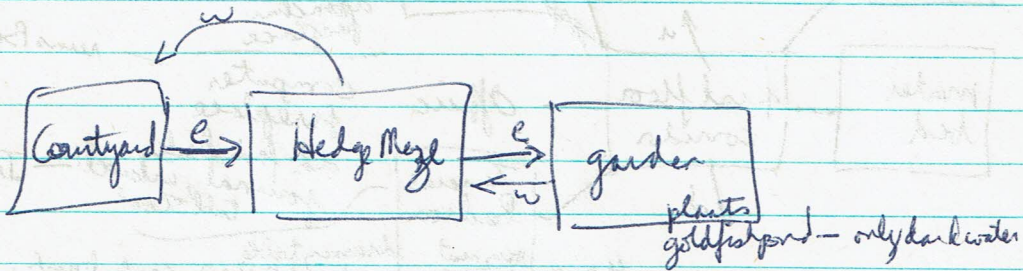

Dr. Leakes sitting room 8:58
+ Viv plays piano

(evidence) ^{notebook} lab has incriminating record of Dr. Werdick's failed experiments on patients at his clinic.
 Near end: "Finally took care of Poldark's granddau. (comely werch),
 pity she disc'd facts of his end."

Journal - describes treasure: "Moonmist" drug taken from rare Amazon plant called moonflower. natives ^{use it to} tip poison dart, but also medicine.
 Insect plant should be gathered only when full moon is misted over.

Chapel - altar, pulpit, font, pews, stained glass window (Adam & Eve)
 lumber room - old magazines, bird cage, chest (1700's), Victorian hobby horse

Vivien's bedroom - (untidy)
 sketches, garments
 canopied bed
 chaise longue
 canvases
 easel
 tallboy - sketchpad
 cheval glass
 sculpted figurine (turn it to open door)

Iris

lens - I say! I think you're onto something here.

Deirdre - Poor thing, her life came to a sad ending.

ghost - quite dramatic. Poetic urge to go up on fighting deck in moonlight & commune with my soul. Saw figure in white coming down lower stairs, it turned & flit back up.

Ian

lens - not mind. can't have faulty vision in her Coldstream Guards.

Deirdre - Poor thing, etc

ghost - "I myself haven't seen it"

Dr. Wendish

- lens - Not mine. As you see, I wear glasses at all times
- Deirdre - Poor thing, her life can't be so sad ending. As did her grandfather whom I treated at my clinic
- ghost - night after Deirdre's accident, saw ghastly figure in white in old great hall.
Ghost went to basement, no impulse to follow. (reluctant to speak?)
- Castle - (Same view as Hyde)
- notebook - flinches. "fair cop. You've caught me with damning evidence" (angers him)

Hyde

- lens - shows monocle. "This is the only vision aid I require"
- Deirdre - Poor thing, etc.
- Castle - lovely piece of real estate. Almost a shame to admit riffraff on weekends.
- ghost - came down to get a book in sitting rm. Saw ghost in doorway which fled to tower & vanished. This happened couple wks ago on last visit.

Jack

Lionel - "He was a bit of a strong bird, was Lionel"

* artifact - HEARD of it but Lionel never identified it. he's been him out. (at tape)

lens - ~~nothing~~ strong. 'Nothing wrong with my eyesight'

maid's note - I say! onto something here.

Deirdre - 'Poor thing, her life comes to a sad ending.'

castle - infested lately with a spook bent on harming Tamara. All in all, a very strange.

Ghost - all he saw was glimpse of whitish figure from rear. couldn't swear it was woman.

Tamara

Ghost - saw ghost 3rd time outside office with sword.

engagement - so happy! told it all in her letter.

Lionel - Sorry, but I never met the man.

lens - never worn glasses or contact lenses.

Deirdre - lived just down the beach & spent most of her time about the castle.

Castle - lovely place. If only I felt safe here!

Vivian

painting of Deirdre - "Oh my portrait. ~~It~~ never saw such skin as hers... or hair." Stops & bites lip.

lust - Yes, that's one of my works.

lens - admits to lenses all time & glasses for art. Claims lens isn't hers & pops 2 out ^{cynically}.

lionel - strange bird

Deirdre - shyness, wistful smile. Unusual, unworldly, fey. Grew up in college. ^{not sure she} WANTED to live ⁱⁿ _{towns.}

Chat - "I myself haven't seen it"

Bolithe

Deirdre - sent to basement to find her. Found tent pole & shoe in front of well near wine rack. Pde. was Lionel's. Shoe's spike heel loose.

hooked necklace beside well. Jack & elec. tech found gerson fabric on well bricks.

Police concluded she drowned. Divers never found the body.

lionel - strange bird

Jack - not my place to say

8:30

under ~~best~~ - tape recorder & clockwork

"Good evening, all" (Haniel's voice)

"You are all here, I trust, to honor the wish expressed in my will -

that the seven of you should dine together at T. Castle on the evening of my birthday"

[Jack, Iris, Viv, Montague, Ian, Wendish, Deirdre]

"... loss of that valuable artifact, which I brought back from one of my expeditions"

Under punchboard:

1st clue shows an Amazon hunter, aiming a blowgun at the tree tops.

- 2nd clue is Jack's (?) + butler's note.

"So now, my friends, let the game begin"

- 2nd clue:

"My first is an 'I', but find an 'eye' that sees not."

Note:

- all servants left at sound of dinner gong. (not back until morning)

- Gladys, upstairs maid, won't be back (see note on writing desk in sitting room)

- in ~~Living~~ ^{Living} room - portrait of Deirdre by Vivian (wearing gown of accident, staring at slope looking to sea)

Yellow Variation [2, 3]

1st clue: photo of singer Pearl Bailey.
[Under punchbowl]

2nd clue: "... Yet the ear distinctly tells, ...
How the denger sinks and swells,
By the sinking or the swelling in the anger of the — S..."
[Jack has it]

3rd clue: "... And so, all the night-tide, I lie down by the side
Of my darling - my darling - my life and my bride, ...
In her tomb by the sounding sea."
[in bell at Fighting Deck]

4th clue: "If you search for 'A Cask of Amontillado,'
don't get trapped!"
[in stone coffin at Secret Tomb]

Evidence: 1) tiny red jewel [search carpet in Drawing Room]
2) earring [in jewelry case in Tamara's Bedroom]
POT JEWEL IN EARRING for evidence

Wendish's Bedroom

- medical texts, dressing table, medical kit, marble-topped console, ornate candle sconce

Master Bedroom

- canopy 4-poster bed on circular dais
- marble topped console and mirror
- 2 oversized wardrobes, cheval glass, tallboy, commode, overstuffed chair, color TV
- telescope on swinging wall bracket near small window

Vivien's Bedroom

- sketches, garments on canopy bed & chaise longue.
- canvases & fold-up easel, tallboy, sketch pad
- wooden box, cheval glass, sculpted figurine.
[inside wooden box is plastic box holding second lens]

Ian's Bedroom

- rich wood paneling, 4-poster bed, Victorian washstand, reclining Morris chair, Fireplace has flashy grillwork, & andirons have fancy heads

Hyde's Bedroom

- many tasteful antiques, such as armchair

ASK BOZITHO ABOUT DEIRDRE

- sent to find her
- found tent pole + shoe in front of well.
- shoe's spike heel wrenched loose
- red necklace beside well
- ~~the~~ Jack shoe took down well + found strand of fabric snagged on buckwork.
- body never found.

Library

- bookcase/history book, table/reading lamp, chair, armchair, fireplace.

Green Variation

1st clue: shows Amazon hunter, aiming a blowgun at the tree tops.

[found under punchbowl in Dining Room]

2nd clue: "My first is an 'I', but find an 'eye' that sees not.

[Jack has 2nd clue]

3rd clue: "My second is in never but not in ever,
and lies in a hidden 'end'."

[behind glass eye of head of rhino in Game Room]

4th clue: "My ~~fourth~~ third is the silent side of knight.

All together I am what you could use for poison-per letters."

[on floor in "Dead End" of first floor's secret passages.]

Treasure: INK inside inkwell on desk in Office.

The "ink" is the Moonmist drug taken from a rare Amazon plant called Moonflower. Natives use it to tip poison darts, but it is also medicine. Must gather plant only when full moon is misted over. [described in journal in Office]

Evidence: 1) contact lens [search New Great Hall floor]

2) lab notebook [in bookcase in Library]

- incriminates Dr. Wendish re: fiendish experiments at clinic:

"Finally took case of Poldark's granddaa. (comely wench), pity she disc'd facts of his end."

Blue Variation [0,1]

1st clue: shows skeleton in Chinese mandarin costume.

[under punchbowl]

2nd clue: "Three fellows argued about life:

1. "Using this motto, no chap can go wrong:

Leave the wench and the grape, but go with a —!"

2. "On the seas of my life sails a ship that is laden

Not with bottles or tunes, but with innocent —!"

3. "Women and singing are both very fine,

But for me there is nothing to equal good —!"

[Jack has it; SONG, MAIDEN, WINE]

2A: [on piece of music, on piano, in Sitting Room]

Beethoven's "Suite No. 9" has star in red ink over

first four letters of the word "SUITE"

2C: [on wine bottle, in Adack, in Basement]

"Older Own Vintage". Red star ~~is~~ on "OUR".

2B: [stand in iron maiden, in Dungeon]

→ leads to Secret Tomb [containing stone coffin]

3rd clue: "My al--- has no glamour;

It's '---e' tones do clam---

Can you find me?"

ALARM

SUITE

CLAMOUR

[inside helmet of suit of armour, in New Great Hall]

Treasure: [fossil skull inside bell at Fighting Deck]

2B: [maiden on tapestry in Drawing Room]

star in red thread on the maiden's ARM.

Evidence: 1) contact lens [on floor of New Great Hall]

bins - Tamara [never worn glasses or lenses]

Vivien [glasses for act, but contacts - ugh!]

Iris ["Good lord! I think you're onto something here"]

Jan [not mine. Guards can't have had eyesight]

Hyde [shows monovision; only aid I require]

Wendish [not mine. Wear glasses all the time]

Jack [puzzled shrug; nothing wrong with my eyesight]

plastic box - Vivien [claims not hers, planted on her (but she flicked)]

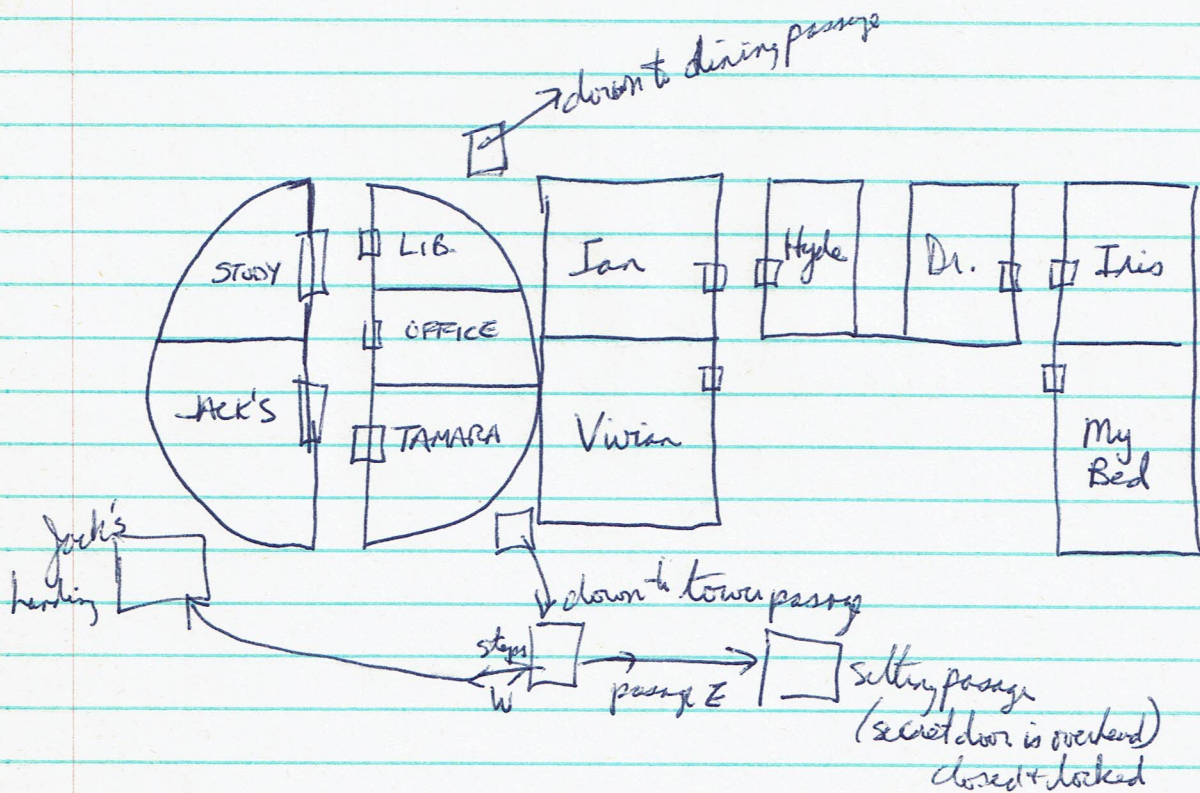

Iris ["Good lord! I think you're onto something here"]

Wendish [I say! "]

Hyde [Good lord! "]

Secret Passage Switches

- Library: [move/take history book]
- med. (bedhair) Tamar's: [turn loose bedpost knob]
- Jack's: [swing telescope]
- Your Bed: [turn hidden switch on wall mirror]
- tall (tawny) Vivian: [turn sculpted figurine]
- (blonde) Iris:
- dove Dr: [pull ornate candle sconce]
- Ion: [turn andiron]
- Hyde:
- Monde (Devilre)

Red Variation

1st clue: shows King of Clubs in one corner, with a picture of an African chief holding a war club; in the other corner is the King of Diamonds, with a picture of a crowned vulture clutching a diamond
[under punchbowl]

2nd clue: "Forbidden fruit tempted the very first loss."
"Twas once in a garden but now in a glass."

[Vivien has it]

3rd clue: "Despite its appearance, the fruit was quite sour.
One bite of the apple drove Eve from her bower."
[stuck on apple on stained glass window in Chapel]

Evidence: 1) tiny red jewel [search carpet in drawing room]
