Green (Mingun) CLUE CHRONICLES

Take the cold of night in a box that's sealed tight
On a shelf dotted with glistening ice
Find the jewel that makes you look twice

- sez White is jumpy

- origa in dining room
- female statue in side hall

Peacock: (toll of NT)

Start on the left, when the upstairs go down

Follow then to the dark hole that spirals around

Guide the black stone through an impossible hole

Until you possess the shining ball.

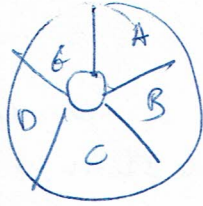

White: dream long hallway,
snakes on legs, claw sounds
"I am waiting for you."

Inside a room, ^{made a} drawer
death head out
lets teeth glister, a shiver
The one that's loose, is the one for you.

penchant from statue where Plum is

Phen - riddle

Must the lady's embrace always take,
 as she holds her as victim against his will
 From that deadly spikes you want hide,
 Now take the single blood red jewel inside.
