Dear Heiman

I have moved back to Mother's house.
 Ever since you lost your job at the bridge, life
 has been unbearable. That stupid green color of
 your complexion, or the maniacal way you constantly
 swing that saw around are enough to drive me nuts!
 Best of luck in your new job as cheese cutter.

Josephine

REMS Cheese Factory

Dear Mr. Greenberg;

Thank you very much for your suggestion
 that we add mustard to some of our cheese products.
 While this would indeed save our customer's valuable time
 when making sandwiches...

Sincerely yours,
 Monterey Jack

Ms. Scotia;

Thank you for your interest in the Nether Mask.
 We believe the ancient temple which contains this
 artifact lies buried in the region currently occupied by the
 Urbish Mine Company. (King Richard of Gladstone
 is also interested in the mask)...

Thank you, Prof Jones

Thirsty Dick Richard/Went to the water,
His mother said 'Dicky, don't wade,
In over your knees.'

But alas, for her pleas, went unheeded, & most unobeyed.

For young Dick was quick, / To dive in, and stick,
In the mud, / Head long and headfirst.

And as much as he'd squirm, / And gyrate like a worm,
His problem was breathing, not thirst.

Do wah, de water, / Dicky, Dicky don't wade.

Do wah, de water, / Do what your mom said.

Dips de dip, / But don't slip,

Won't you please try, / To keep your knees dry?
