ask xerox abt xerox  
 ask " " flow cytometer (careful, we didn't put  
 the new fuse in yet)  
 open vial (y win)

se to lab? (after getting staples??) (does opening the windows allow us to get to the lab?)  
 - open vial doesn't work if y're not wearing the goggles.  
 - open vial must happen at S's B, else nasty much happens.
