i {uniform & gold pins} enter door [to the bathroom] Rokra hit an energy barrier;
hyperdrive + interstellar comm is out. (murder; punishment) out [cabin] bed, cushions, tbl (Kermidol),
doors to bath + out. x table (commuter missing) Computer, hi.

ask Computer abt Captain (left the ship, Agent Carter) abt communiter (it can interface it)

abt ambassador (Vittorio Saglieri). abt Mythians (remote + tech superior, they've agreed to arbitrate)

abt powers (Earth, Cairns, Rivol are involved; Cybl + Myth might be drawn in)

abt Earth (lost interstellar), Cairns (2 factions), Rivol (the Rivoli are nonhumanoid)

Cybl (cybernetic humanity) out. [The starboard gallery] cpt's cabin, light, gallery fore/aft

w = port (bath com N) fore → [The fore platform] view of cargo deck, stairs U/D, galleries P + S.

u [Rokra, on the bridge] window, Cpt's seat or podium, comm + helm consoles, green light

x message - play message. (Hyperdrive refine Interdiction field which prevents leaving orbit.

Vent this Excellency. I found your body. (Smithy fills) ask computer abt transport abt planet.

Computer, scan planet (0.75 Earth mass; CO₂ atmosphere. No life signs)

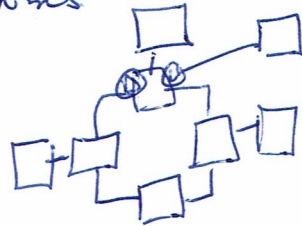

Scan transport (ESS Gorbachev has murdered 2 life forms)

[port gallery] one door unlocked to left. w [crew cabin] utility belt.

aft → [Escape port gallery]

n of fore → [Rokra's lounge] table, terminal, window, computer pad, couch, library?

ask computer abt gravity (computer caution it out off)

d [Rokras's conveyor] fine to enter, door aff to engine, transporter above, airlock
w [antechamber; speedbit] / e → console (under circuit panel). transporter appears dead.
door (needs auth code). n → [ramp's chamber] airways, forceful 1/3 panel, touchplate
d from aff → ingo door ... open panel (locked). "transfer badge to door" (out) send

s [Rokras's engineering] pillars, console (replicator, todesse), key
(panel at transporter is blackened) (panel at ramp: green, blue, black/red)

- have to replace small blackened c red. (why?)

n [In spec.] jumps (end) (some confusion c transporter above)
(or n.)
