[tragedy forest] "Pithec" NE, SW, S *norris* Duan, Black Bot (out of juice), Duan *ring knife*
Duan has laser machete i {construct, machete, grenade}
can't distinguish Bot from Black Bot. (need DNA samples from T Rex, Triceratops,
Pachycephalosaurus, Pteranodons) Inuitly help (written for 7 year old)
Duan has stuff, refer to island (Bot follows y) Bot jets. (sigh)
~~s → ttt~~

kill plant (in tal jaw) (can't cut or kill i machete?)
kill plant (with grenade)

give machete to Duan
(get Duan's laser stuff.
~~Duan~~ laser.
Bot's power dies.)
