A shore path is here. Mausoleum north wall: recessed stone panel (light in cracks)  
As I stood there alone. mid: wall of green stone  
And I thought to myself how the moon, lift arm → (D) : Tunnel (dark)  
That night, cut its light machine - seat, rear compartment { engine { chamber } }, open  
On my heart's true delight push stone panel (N) = Woods  
And the reef where her body lies

Alive!  
We slept!  
Life's just one rapid eye movement  
In a warm, cozy bed  
Beneath!  
We woke!  
The floor dream is over today!  
Now that we're all crumpled!
