(Prologue: Skippy Stones)

[East End of a Wooden Bridge]

x brother Thyra Darwan, father Kethhal, uncle Jermus, cabinet, pebbles, x bridge (W/S) listen (to what?) examples

e [East End of a Wooden Bridge] y = Gavenn (uncle says y tell dad y'll keep an eye on Big Restless.

e [End of the Wooden Bridge] cluster N, stream? x stream (stone) x stone (not stone) take stone (don't work!) pick up stones does (or get stone) can't go out of sight.

skip stone (at West) hear uncle says taking y + Th taking up Goshen Peak; g. (I've situated different; election soon) g. (They call themselves Sheeears)

g (differences in articulation are critical; Sheeears biggest cant/wort explain) g (say Sheeear softly, loudly, rising, falling, indistinctly, flat; hear during evening) g (dactyl norm in sky from S, Jermus is waving, Father has fallen!)

e f.e. { Thyra claims "they were trying for weeks" x father (wont watch) get watch. "this was 40 yrs. ago. Ah, Rubne, friend, I have more to tell y.)

Chapter 1-1: The Accord

[Chariman Hall City] at NW end, benches, fountain, men, fence, evergreen trees, sterifiles, gate W. x men (Rubne Gable), ally + spy/traitor, 27; men on woman, one was caught.

Rubne wants to hear of Accord before leaving for Jermus. i { stone, watch, stone up of lemonlime coffee, plastone end, red) x word (not used in 20 yrs but saved y's life) tell Rubne abt accord. (death delayed accord 10 yrs, Jermus left election & married Shevra here; Accord happened when one elected Chariman next in C-5781. Bro was dating Sheeear's daug Eeeloraaa Reee secretly. Incender workshop waited in orbit.
