Carl - sandy brown hair, 28, job unknown.

w → [Port of Forecastle] s → [Port of Stateroom] se → [Cockpit Deck] engines, panel, D, line, NE, NW, flag staff U.

pull line - x shape (Thom is too heavy to pull up) 2* (we have to cut the engines)

// Carl: will run motor, bill to cockpit deck + take end of line; Ashl to relay instructions to Bill, me to throttle back;

look over the helm. (throttle handle + clutch handle; wheel
↳ when pushed all the way forward - engines on full.
pulled back - engines idle. Currently very slow.

x clutch - pushed/pulled - set the forward (or reverse)

x wheel

look to NE

x Thom (bruise, clenched fist) Carl offers to pilot boat. // Carl says engines are moving - the belts

Bill changed his shirt in Aft Stateroom (d from Cockpit Deck) notes in bottom drawer.

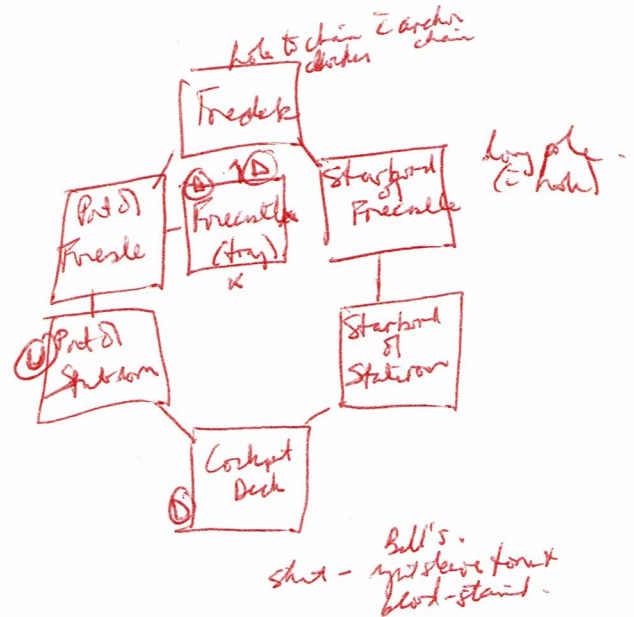

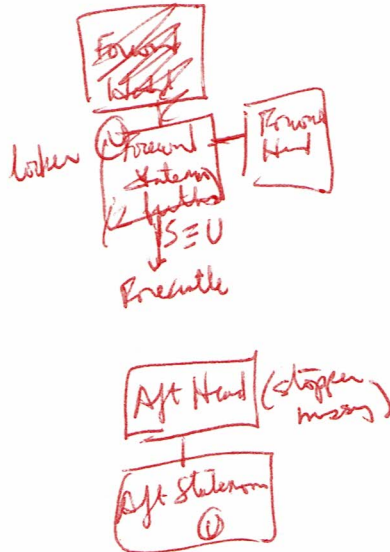

w → [Aft Deck] panel (bidge pump, loose wires) // reg + meter down from Cockpit Deck.
best screenshot. // looked complicated @ Starboard of Forecastle.

CFV
