D - Wait.

knock on door - Bruce the Guard enters (to meal belly & axe)

dink mead → Dazed (feel need to vom)

//ifound.multicuser.net/comps
/intracomp.html

Ask Bruce abt other prisoner

- He's been yanking out his own hair + feed it to a tigg!

abt Faire - Whores + boxes mostly

abt ~~rocks~~ tigg - The tigg runs freely between the two cells on this floor. I think it's the blasted hole. [in] I hungy. Probably wants more of that old prisoner's hair! Ahahaha!

abt tower - "The Tower of Kaladen the Elder, formerly Kalash den Kah II, has only two cells on this floor."

Look under table - see small hole just where the stone wall meets the floor.

ask Bruce abt axe - chop down trees + chop up necks. Hasnt been sharpened in yrs.

ask Bruce abt mead - Careful. Vg powerful. I wouldnt touch the stuff here.

(also ghoul) ask Bruce abt Jessen - Executed. Nasty business (obviously) His ghost haunts the Tower. This was his cell, btw.

ask Bruce abt Couratone - powerful substance w many uses, depending upon the blend

ask Bruce abt dawn - I've lost my "Death Watchdog" Some wild like to get it back.

ask Bruce abt rock - The board they call a "mother" hasnt been hoed down in years. God knows wht's under it!

ask B abt pictarium - Women who find y attractive lend y one. Makes court more efficient

ask B abt window - Y'll have to pay for the damages.

ask B abt feather - A sea scalp's feather makes a dandy quill, but y'd need some kind of

(B looks unwell) ask B abt blood - There's a mungy tigg that seems to like blood. Stawed to drink ^{like}.

ask B abt Karolkis - Those wh deceive their power by couratone can be defeated by the Great Karolkis. But hasnt been seen in yrs.

put rock in hole (snuggly blocks it), take tigg (+20) - hair
