

(y remove bloodfold + give it to zektob, who eat it)
in Royal Tomb to allow the monarch to live afterlife) (help/avoid)
Queen "Mery" (Meyer), + husband Stanley, pet Bobo (a zektob)

The Usher
(ask Stanley for help with X)

[Royal Tomb] pedestal, golden coffin, staircase to door + diamond oculus.
figures. Chest of Ford Remembrances. pet + yr family under slab.
bookshelf + table, ingredients for sacred potion to brew + imbibe.

x one (like the robe + silver beds) x bookshelf: (name list/pet), copy of Coastal Journal, fideflower in azyne cage.
read usherment (the protocol manual)

- 1) cleanse yr spirit of unhonorable thoughts + actions
- 2) recite the 2307 verses of Blessings.
- 3) assist King in Thankful Tribute
- 4) concoct drink of complete purification from essences of the 3 most sacred pts of the land
- 5) assist King + Pet to drink the drink. Put what remains in the Chest of Ford Remembrances.
- 6) make the Cypriot Pure for the Years.
- 7) Send yourself into the pit + drink + abandon yourself.

read book abt flowers → note falls to floor.

read abt fideflower (rept; us nervous) - it opens + closes with tide - blooms when moon/sun is full + wave creates high + strong.

read footnotes (sotf = Satellite of the Firmament, eg: Moon)
- with salt, it creates somnalt (sodium-reptend, instant sleepiness in most animals (people are immune))

take note. x it (folded + written quickly)
read it (the sacred potion is not a poison if yr mother is still alive) addressed to her.

show note to Stanley (We need not die!)

x Bobo (wears a collar. plunger)

take collar (he nips at your hand)

open chest. look in it (silk lining)

x table (bowl of black powder, bowl of amber gel, bowl of cobalt liquid, glass string rod, stove, silver vessel)

x collar (curved band of metal + cord of feathers)
open chest (King has the key) ask Stanley abt key (he gave it to you)
x pet x hole.

check stairs → [Up the stairs] rickety, door. x heated (just out of reach + bigger than it needs to be)
ask Stanley abt black powder - just volcanic pepper
gel - chemists say not to mix amber + vinegar pepper, but traditions say otherwise
cobalt liquid - 'clean dirty' never know if it will stain clothes or clean them

/// show Howard Bobo - Take collar ('Thank you')

take paw. (he pointed to one of the dining rainbows, between table & chest (wall spot))
 x rainbow (card in slot) x card (recipe)

next recipe - only you should drink it.

{ one ingredient is heated (H)
 one is stirred (S)
 one is neither (N)

1st at room temp
 3rd is not typed
 black wigs must be heated
 don't mix the gel
 2nd is neither heated nor mixed

- 1) stirred liquid
 - 2) normal gel
 - 3) heated powder
- drink ptin

Bobo talks to y in mother's voice (Dadep)

- escape through the skylight. climb the knotted rope behind the pedestal (poke out a window)
- leave late tonight & a friend will help y flee unnoticed.
- (Stanley accidentally sets the floor on fire) remove like smother fire
- open chest. take lining. tear it. wear silk.
- can now resist vertigo. climb, climbing. climb heated. (hook sharp stone/ocular)
- (do try: throw rope at ocular) use Stanley abt keys. / tie rope to bar.
- put bar in hole look a pit. (blueprint) read blueprint. (lantern stuck to wall above the heated)
- puddle of water under bookshelf, leading into pit (Webster's slides around cornice & queen say 'Free me')
- taste water (not too salty) u. x hole (lantern not there, but a foot once anchored there?)
- ~~throw rope at~~ put bar in hole. throw rope at ocular ⇒ on the coffee, ocean pouring in, water submerges
- open coffee & ascend with water out of the tank
