- 1) War Minister murdered Tergio; controls army;  
mixed in campaign vs Venice; min time from Venice to Piedmont: 2 hrs.
- 2) Coffers: Rico has money; lack of killer instinct; may throw in  $\bar{c}$  another;  
must be ~~eliminated~~ neutralized
- 3) Christ: supervises Charles' education; not interested in Regency, but  
could elim need for Regency if Piedmont becomes another region of  
Greater Provence. Must keep Avignon out of this.
- 4) Interior: insane + unpredictable. Pit against Wehrkeit?
- 5) Ambassador to China: too distant from Hangchow; no photo.
- 6) Louis, younger brother to King: might be used as figurehead by Rico,  
or eliminated by Modo or Wehrkeit
- 7) Queen Sarah: will name Regent, Queen must be protected
- 8) Miss Sierra: mistress of King; X-Factor; could disappear, could throw in  
 $\bar{c}$  another, goals are unclear.

- 1) War Minister Klaus Wehrkeit
