

[Emergency Room Boy] (9 wks ago, grandfather put in coffin
 8 wks ago, Morrow Falls and the same.
 (ye parents disappeared in woods 10 yrs ago)
 (Uncle Copeland concerned)
 7 wks ago. (Uncle wants ye to try meditation; he was mom's brother)
 6 wks ago (take the Soul Scepter, Wes, summon st...)
 ? time? (woman's voice tells ye open ye eyes)

Wes Gardner's
 Halting Nightmare
 (best color)
 horror
 blurry

- I know ye can summon/unsummon the Scepter at will.
 - door blocked by steel bomb, other doors, woman ...

look Emma's pictures & press cut out, ashtray, crystal dice, chandelier, Charity Bell, injured people
 x one Emma's red sweat shirt, jeans, sneakers
 x Charity (Dr., beauty, tablet of material chits)
 talk to Charity? - ye in Mercy Hospital, ye should talk to Dr. Michaels,
 she leaves & the injured hand & turns towards ye?

N → [Merciless Walkways] (a figure coves at ye above)
 x figure. closely examine figure (Black man & boyhood)
 - the walkway built is destroyed, forced forward.

N → [Warty Room] (ring the bell, woman in flowers, table & magazines & decorative journal
 - read journal (hues) { journal from David for arrival; David's a nurse,
 drew: white dog, Justice, box arrives by mail, "Flowers for my flower"
 (room smelled like roses. But no roses.)
 - Where's Wes? Grandma says Phoebe; she says tracing School collapsed into ashtray!
 (Who's hues?)
 - David says I smell like jasmine all the time now.
 - WTF in bedroom? People bleating? Itchies.
 - coughed up a purple flower petal when at checkout
 - Itchy, headache, & fight in David
 - Banning, blocked out in bathroom & NO ONE FOUND ME? Smelled roses?
 - David is taking note Mercy Hospital.

x hues. ring bell (nothing but lighter?) z. z. {bloody hand dropped at the room}
 x hand {male & gold ring} x ring {To David, love hues}

N → [Grand Corridor] E/S/W, glass structure, ~~peeling~~ their portraits {faces covered by black paint,
 other wall: Affairman (The God lover's)

w → [The Love of Beauty] statues, fountain. - man & wings, woman & Seps, cherubs, stumpy lizard.
 read people {What is a weed? A plant whose virtues have not yet been discovered.}
 9. {Beauty and worth linked at, what's important in ye mind}
 9. {Beauty ... is a light in the heart}
 There is no beauty without strangeness
 A woman who cannot be ugly is not beautiful.
 (more)

e.e. [The Halting Chapel] statues, poems, altar.
↳ symbols, ~~connotations~~

W. x door. { looked, ~~not~~ optical scanner }
= door

* W. x water { Charity is back; Welcome to the Cove of Beauty } literally looking at Psyche & Cupid (gods)

- you must restrict the gods to their natural state

1) give them the thing that drove them apart (candle?)
& the day that brought them back together (ring? (Responsibility? Lent?)) give both items at same time.

e.e. x Hope. x candle (words in ~~mind~~) For the Remorseful
↳ only stripes.

talk to hope. E.g. candle has question mark - hospital: even if it isn't the before line, injured patients

- injured patients: from before time; others like you, are fire.

- before: Morrow Falls was one way & now it's different.

- others: involved with whether the before time happened or not.

- key: ~~I~~ Hope must bring a scarf to run 2388; she likes flowers too.

- me: why and here, how I got here, my location

- why stand here: to help, to spread light & stuff

- gods: only Charity Bell would claim those statues ~~are~~ ^{use} gods.

- charity: that lets him talk but trouble

- the great lover: Dr. Michaels. I've never seen him ~~per~~ anywhere, though

- scythe: summer/winter.

take candle & Hope can't let you - candle put there by Miss Justice, & she starts to fight you
attach Hope & Scythe (x several times => I'll never return to that boy, & she disappears)
